## CHAPTER – 1

### 1.1 Introduction- Project and Public Purpose

The Executive Engineer, Kerala Road Fund Board (KRFB), Thiruvananthapuram is the Requisition authority for the Land acquisition of 'Improvement to Pazhakutty-Mangalapuram Road Reach-2'. The Special Tahsildhar (LA) KIIFB Unit-2, Thiruvananthapuram, is designated as the Land acquisition officer. The proposed land acquisition of 291.07 Ares of land which belongs to different survey numbers in Block No. 6 of Keezhthonnakal revenue village, Block No. 13 of Ayiroopara revenue village in Thiruvananthapuram Taluk and Block No. 31 of Vembayam revenue village, Block No. 28 of Koliyakkode revenue village, Block No. 28 of Manikkal revenue village and Block Nos. 31, 32, 30, of Thekkada revenue village in Nedumangad Taluk of Thiruvananthapuram district as per the 4(1) notification No. 4114 in volume No. 11 of extra ordinary Gazette of Government of Kerala on 03 December 2022.

The proposed land acquisition for Improvement to Pazhakutty-Mangalapuram Road Reach-2 comes under the jurisdiction of Manikkal, Vembayam and Pothencode Gramapanchayaths in Nedumangad Assembly Constituency. The development of Pazhakutty-Mangalapuram Road Reach-1,2,3 is planned to start from Pazhakutty after Nedumangad on the Thiruvananthapuram-Chenkotta Road, cross Kanyakulangara on Thiruvananthapuram-Kottayam (MC Road) road and merge with Thiruvananthapuram-Kollam National Highway at Mangalapuram. The main objective of the proposed project is to enhance the transportation facilities and avoid the traffic congestion and ease the transportation by improvement of the existing road. It will cater the need of ever-growing transportation in this route and increase accessibility to the main roads and reduce running time between cities. The proposed land acquisition comes under the geographical area of Manikkal, Vembayam and Pothencode Gramapanchayaths in Nedumangad Assembly constituency and belongs to different survey numbers in Block No. 6 of Keezhthonnakal revenue village, Block No. 13 of Ayiroopara revenue village in Thiruvananthapuram Taluk and Block No. 31 of Vembayam revenue village, Block No. 28 of Koliyakkode revenue village, Block No. 28 of Manikkal revenue village and Block Nos. 31, 32, 30, of Thekkada revenue village in Nedumangad Taluk of Thiruvananthapuram district. The land acquisition will directly affect landholdings of 531 Sub divisions of 93 Survey Numbers belongs to 414 land owners from 389 families.

Possible efforts had been made by the requisition authority to reduce the social and environmental impacts of land acquisition for the said project of Improvement to Pazhakutty-Mangalapuram Road Reach-2 while preparing the alignment. Implementation of the project after land acquisition will help speedy, safe and comfortable movement of vehicles and reduce traffic congestions in this route.

The land acquisition for the said project of Improvement to Pazhakutty-Mangalapuram Road Reach-2 has been started as per the sanction obtained from the Government of Kerala vide G.O(Rt) Number 1391/2022/RD dated 30-03-2022. Thereafter, Special Tehsildar (LA) KIIFB Unit-2 Thiruvananthapuram was appointed as the Land Acquisition Officer to perform the duties of the appropriate government through the proceedings of District Collector, Thiruvananthapuram and thereafter the land acquisition process has been started. As stipulated in the 'Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013, the District Administration has taken necessary steps to appoint Social Impact Assessment Unit and Planet Kerala has been assigned to conduct the social impact assessment study.

The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 stipulates that social impact assessment should be conducted and prepare report prior to the land acquisition. The proceedings of the District Collector of Thiruvananthapuram vide letter number K.6-89903/16 dated 07-02-2017 has empanelled Planet Kerala as one of the Social Impact Assessment Units (SIA) in Thiruvananthapuram district and also empaneled State Level SIA Unit as per the Order Number GO (Rt) No.982/2020/RD dated 10-03-2020 of Revenue Principal Secretary. Based on the foresaid government orders Planet Kerala has been entrusted with the responsibility to conduct the Social Impact Assessment Study of the project of Improvement to Pazhakutty-Mangalapuram Road Reach-2. The notification for the same was published in an extra ordinary Gazettee of Government of Kerala on 03 December 2022 with reference number 4114 of Volume 11. Accordingly, Planet Kerala has started Social Impact Assessment in the proposed project area.

## **1.2 Project Location**

The proposed land acquisition comes under the geographical area of Manikkal, Vembayam and Pothencode Gramapanchayaths in Nedumangad Assembly constituency and belongs to different survey numbers in Block No. 6 of Keezhthonnakal revenue village, Block No. 13 of Ayiroopara revenue village in Thiruvananthapuram Taluk and Block No. 31 of Vembayam revenue village, Block No. 28 of Manikkal revenue village and Block Nos. 31, 32, 30, of Thekkada revenue village in Nedumangad of Thiruvananthapuram district.

#### 1.4 Alternatives Considered

The proposed project will interconnect Thiruvananthapuram-Kollam National Highway, Thiruvananthapuram-Kottayam (MC Road) and Thiruvananthapuram-Chenkota Road and pass

through Mangalapuram, Kanyakulangara and Pazhakutty. The improvement of the proposed road will enhance the transportation facilities and avoid the traffic congestion and ease the transportation by improvement of the existing road. It will cater the need of ever-growing transportation in this route and increase accessibility to the main roads and reduce running time between cities. Implementation of the project, after land acquisition, will help speedy, safe and comfortable movement of vehicles and reduce traffic congestions in this route. It also will help to the infrastructure development of the State which in turn improve the social and economic development of the State. The proposed project is planned to achieve the above objectives and prepared alignment accordingly.

The completion of the project will help to improve the road transportation facilities and interconnect with main roads and will reduce the traffic congestion. Improvement to Pazhakutty-Mangalapuram Road Reach-2 is planned to materialize the above objectives and land acquisition process are initiated accordingly. The Social Impact Assessment study reveals that the affected families as well as the general public are aware of the development activities. Affected families and landowners are willing to handover land and properties for this development project, even if it affects their land, assets, business and livelihood. As the proposed road improvement project is planned alongside with the existing road and the land acquisition is essential to materialize the requirement. Besides, because of the land acquisition process is progressing in line with the right to fair compensation and transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 and the affected families and the land owners are willing to handover the land and properties for this important road development project. In this context there is no alternatives are to be considered.

### 1.5 Social Impacts and Mitigation Measures

Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 2013 stipulated to conduct Social Impact Assessment Study prior to land acquisition. The study will assess different aspects of the social impact of land acquisition affected to the people who are giving up their land and assets. The study will bring forth necessary suggestions and mitigation strategies and actions to be undertaken to reduce the impact on land acquisition. The summary of the impacts is as follows:

Note: The above conclusion is arrived as per the information given by the respondents. The supporting documents needed to be verified.

### Measures to Avoid, Mitigate and Compensate Social Impact

- ❖ Adequate compensation should be given to the affected families and land owners while acquiring the land and properties.
- ❖ Adequate compensation should be given to the houses, buildings, shops, boundary walls, trees and such other assets while acquiring the land and properties.
- ❖ Proper guidance and directions are to be given to the affected families by the concerned officers regarding the proposed alignment and the compensation packages.
- ❖ Adequate compensation should be given to the shop owners and employees who loss their employment and livelihood means due to the land acquisition.
- ❖ Affected people are concerned about the land acquisition as they have no official information and whether the appropriate government is deserious to undertake their land for the proposed project. Hence, they are proposing to acquire their land without further delay and provide adequate compensation in time.
- ❖ The Social Impact Assessment team understood through the focus group discussions and individual consultations that the affected people are willing to give up their land and constructions for the proposed project and they are suggesting to acquire their land without further delay and provide adequate compensation in time.
- ❖ If there is a situation of workers from outside permanently reside in the area during the period of land acquisition as well as constructions, the concerned authorities and organizations had to pay special attention to address and resolve the issues related to health, sanitation and waste management
- ❖ Necessary Precautions should be taken by the concerned authorities for the safety of the public, travelers and workers during the period of land acquisition and constructions.
- ❖ Appropriate measures should be taken by the concerned departments to avoid travel ban and traffic obstruction during the construction period
- ❖ Appropriate measures should be taken by the concerned departments to restore the public utility services such as transformer, electric lines, drinking water pipe lines and other such amenities.

## CHAPTER – 2

### DETAILED PROJECT DESCRIPTION

#### 2.1 Background of the Project

Thiruvananthapuram is the southernmost coastal district of Kerala state. The district stretches along the shores of the Arabian Sea for a distance of 78 Kms. The district has an area of 2,192 Sqkm and came into existence in 1957. As per the 2011 census the district has a population of 33,07,284. It is the second-most populous district in Kerala after Malappuram district. For the administrative convenience the district is divided into six taluks namely Thiruvananthapuram, Neyyattinkara, Chirayinkeezhu, Kattakada, Nedumangad and Varkala. Thiruvananthapuram district consists of Thiruvananthapuram Corporation, 12 Block Panchayats, 73 Gramapanchayats and 4 Municipal Corporations.

The proposed land acquisition for Improvement of Pazhakutty-Managalapuram Road Reach-2 is planned covering the areas of 8 blocks in 6 revenue villages namely Keezhthonnakal and Ayiroopara of Thiruvananthapuram Taluk and Vembayam, Koliyakode, Manikkal and Thekkada of Nedumangad Taluk of Thiruvananthapuram district. The project area comes under 9 wards of Manikkal, Vembayam and Pothencode Gramapanchayaths. The population details of the said Gramapanchayaths as per the 2011 census is as follows:

SI No	LSGD	Area Sq. Km	Number of Wards	Number of Households	Population (Male)	Poulation (Female)	Population (Total)
1	Manikkal	32.59	21	9,826	17,963	19,943	37,906
3	Pothencode	20.85	18	7,398	13,963	15,407	29,370
4	Vembayam	30.58	21	9,883	18,467	20,163	38,630
	<b>Total</b>	<b>84.02</b>	<b>60</b>	<b>27,107</b>	<b>50,393</b>	<b>55,513</b>	<b>1,05,906</b>

Table 2.1 shows that demographic details of the above 3 Gramapanchayaths

The Kerala Road Fund Board (KRFB) is established in 2001 by the Government of Kerala under the Kerala Road Fund Act. It is a funding agency for providing financial assistance to the transport facility projects in the state. Kerala Road Fund Board plays a pivotal role in the overall infrastructure development of Kerala. Requirement of a professional and statutory body to take up the fund management of Kerala State Public Works Department has given shape to the Kerala Road Fund Board (KRFB).

Land acquisition for Improvement of Pazhakutty-Managalapuram Road Reach-2 is possible because the landowners and the affected families are willing to give up their land and property for this project. The land owners and affected people are demanding adequate compensation for their assets as stipulated in the 'Right to fair compensation and transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013'. Completion of the said project will enhance the transportation facilities in this route.

## **2.2 Rationale of the Project**

The land acquisition for Improvement to Pazhakutty-Mangalapuram Road Reach-2 has been started based on the sanction obtained from the Government Order No. G.O (Rt) No. 4340/2022/RD dated 26-10-2022.

- The Land Acquisition Act of 1894 was amended by the Central Government in 2013 and the same was replaced by the 'Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013, which came into existence on 1<sup>st</sup> January 2014. Subsequently, subjected to the provisions of the Act, the State Govt. of Kerala has formulated and published the Rules on 23<sup>rd</sup> September 2015. The process of Land acquisition for Improvement to Pazhakutty-Mangalapuram Road Reach-2 has been started based on the said Act and Rules.
- The Special Tahsildhar (LA) KIIFB Unit-2, Thiruvananthapuram has designated as the land acquisition officer by the District Collector to perform the duties of the appropriate government.
- Govt. of Kerala has assigned Planet Kerala to conduct a Social Impact Assessment Study and prepare Social Impact Management Plan on the proposed project as per the 4(1) Notification No. 4114 dated 03 December 2022 in the Extraordinary Gazette of the appropriate government
- The Social Impact Assessment Study was conducted in the proposed area for Improvement of Pazhakutty-Managalapuram Road Reach-2 having an extend of approximately 291.07 Ares of land as per the 4(1) notifications.
- The proposed land acquisition of 291.07 Ares of land which belongs to different survey numbers in Block No. 6 of Keezhthonnakal revenue village, Block No. 13 of Ayiroopara revenue village in Thiruvananthapuram Taluk and Block No. 31 of Vembayam revenue village, Block No. 28 of Koliyakkode revenue village, Block No. 28 of Manikkal revenue village and Block Nos. 31, 32, 30, of Thekkada revenue village in Nedumangad Taluk of Thiruvananthapuram district. The land acquisition will directly affect 414 land owners belongs to 389 families owned land in 531 Subdivisions of 93 Survey Numbers.

- The Executive Engineer, Kerala Road Fund Board (KRFB), Thiruvananthapuram is the Requisition Authority and the special Tahsildhar (LA) KIIFB Unit-2, Thiruvananthapuram is designated as the Land Acquisition Officer.
- The Govt of Kerala has enacted Rules and published State policies on 23<sup>rd</sup> September 2015 as stipulated in the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013. Accordingly, the Government of Kerala has decided to initiate a Social Impact Assessment study prior to land acquisition to ensure transparency and fair compensation in land acquisition
- The following benefits are expected from the project implementation of Improvement to Pazhakutty-Mangalapuram Road Reach-2:
  - ★ The proposed project will connect Mangalapuram in the Thiruvananthapuram-Kollam National Highway at Mangalapuram and Thiruvananthapuram-Kottayam State Highway (MC Road) at Kanyakulangara and Chengotta Raoad at Pazhakutty.
  - ★ The completion of Pazhakutty-Mangalapuram Road Reach-1,2,3 will improve easy access to Thiruvananthapuram-Kottayam State Highway (MC Road)
  - ★ The completion of Pazhakutty-Mangalapuram Road Reach-1,2,3 will improve easy access to Thiruvananthapuram-Kollam National Highway
  - ★ Improved transportation facilities and reduced traffic congestion.
  - ★ Improvement of infrastructure facilities of the State which in tern enhance social as well as economical development of the State.

### **2.3 Examination of Alternatives**

The proposed project will help the people in Manikkal, Vembayam and Pothencode Gramapanchayaths in Nedumangad Assembly Constituency as well as the people travelling through these places to connect with Thiruvananthapuram-Kollam National Highway and Thiruvananthapuram-Kottayam MC Road. It will also improve the public transportation systems with reduced running time and congestion in the roads. The feedbacks from the interactions with the people during the field level assessment in social impact study reveals that the project will improve the infrastructure facilities and better road connectivity.

Completion of the proposed project will enhance the road transportation facilities and reduce traffic congestion besides the social and economical development of the people in this sector. Acquisition of land from the private land owners will help to improve infrastructure development

of the State as well as to obtain fair compensation for the land owners and affected families. The requisition authority, KRFB, has made all possible efforts to reduce the social and environmental impact on private land owners while preparing the alignment for the proposed Improvement to Pazhakutty-Mangalapuram Road Reach-2.

The Social Impact Assessment study reveals that the affected families as well as the general public are aware of the need for this development activity. Affected families and landowners are willing to handover land and properties for this development project, even if it affects their land, assets, shops and livelihood. As the proposed project is planned alongside with the existing road and the land acquisition is essential to materialize the requirements. Besides, because of the land acquisition process is progressing in line with the right to fair compensation and transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 and the affected families and the land owners are willing to handover the land and properties for this important development project. Therefore, no alternatives are feasible or to be considered regarding this land acquisition.

#### **2.4 Phases of Construction**

Once the land acquisition process is completed by the Revenue Department, the acquired land can be handed over to the KRFB, Thiruvananthapuram and Improvement to Pazhakutty-Mangalapuram Road Reach-2 works may carry out.

#### **2.5 Core Design Features**

The proposed land acquisition for Improvement to Pazhakutty-Mangalapuram Road Reach-2 required an area of 291.07 Ares of land. KRFB, Thiruvananthapuram, the requisition authority, will have to take necessary steps to complete the work on time and could be used modern technologies for the construction. It is also desirable to made necessary drainage systems and provisions for busbay and other such amenities.

#### **2.6 Need for Ancillary Infrastructural Facilities**

The proposed project involves only improvement to the existing road hence no need to build any other ancillary facilities. Eventhough, it is desirable to made necessary drainage systems and provisions for proper replacement of electric posts, transformers, drinking water pipe lines etc.

#### **2.7 Workforce Requirements**

Sufficient man power with different skills are required for the effective completion of the proposed project within the stipulated period of time. Modern equipments and experienced engineers are inevitable for managing the construction works. The project is expected to cater employment opportunities for the workforce in and around the area together with the workforce from outside.

## **2.8 Studies Conducted Earlier**

No Social impact Assessment Studies were conducted earlier in relation with the proposed Improvement to Pazhakutty-Mangalapuram Road Reach-2. Earlier, Planet Kerala had conducted a social impact assessment study for land acquisition of Pazhakutty-Mangalapuram Road Reach-1 and submitted a report to the appropriate government in this regard.

## **2.9 Applicable Legislations and Policies**

The applicable laws on land acquisition, transparency, rehabilitation and resettlement for the proposed Improvement to Pazhakutty-Mangalapuram Road Reach-2 are as follows:

- The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013.
- Rules and State Policy enacted by the Govt of Kerala in 2015 for the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement.
- The policy formulated by the State Government as per G.O (MS) No.485/2015/RD dated 23-09-2015 in accordance with the excess payment of compensation or rehabilitation and resettlement benefits other than those mentioned in the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 and subsequent rules.
- Rehabilitation and Resettlement package of the State Government as per GO (MS) No. 448/2017/RD dated 29-12-2017.
- Right to Information Act, 2005.
- The Rights of Persons with Disabilities Act, 2016.

### **Right to Information Act, 2005**

The Right to Information Act came in to force on 2005 to empower the citizens, promote transparency and accountability in governance, prevent corruption, and make our democracy people-centered in a real sense. It goes without saying that an informed citizen is better equipped to keep necessary vigil on the instruments of governance and make the government more accountable to the governed. The Act is a noble step towards making the citizens informed about the activities of the Government and subsidiary institutions.

### **The Rights of Persons with Disabilities Act, 2016**

The Act 2016 is guided by the philosophy of empowering persons with disabilities. The Act endeavors to introduce an instrument for promoting equality and participation of persons with disability on the one hand, and eliminating discriminations of all kinds, on the other.

## CHAPTER - 3

### APPROACH AND METHODOLOGY OF THE STUDY

#### 3.1 Background

The proceedings of the District Collector of Thiruvananthapuram vide letter number K.6-89903/16 dated 07-02-2017 has empanelled Planet Kerala as one of the Social Impact Assessment Units (SIA) of Trivandrum district. Planet Kerala also been empanelled as one of the Social Impact Assessment Units (SIA) in the state of Kerala by the Revenue Principal Secretary as per the Order Number GO (Rt) No.982/2020/RD dated 10/03/2020. Both orders have entrusted Planet Kerala to conduct the social impact assessment studies in the district as well as in the state. Thus, Planet Kerala has been conducted Social Impact Assessment Study of Improvement to Pazhakutty-Mangalapuram Road Reach-2.

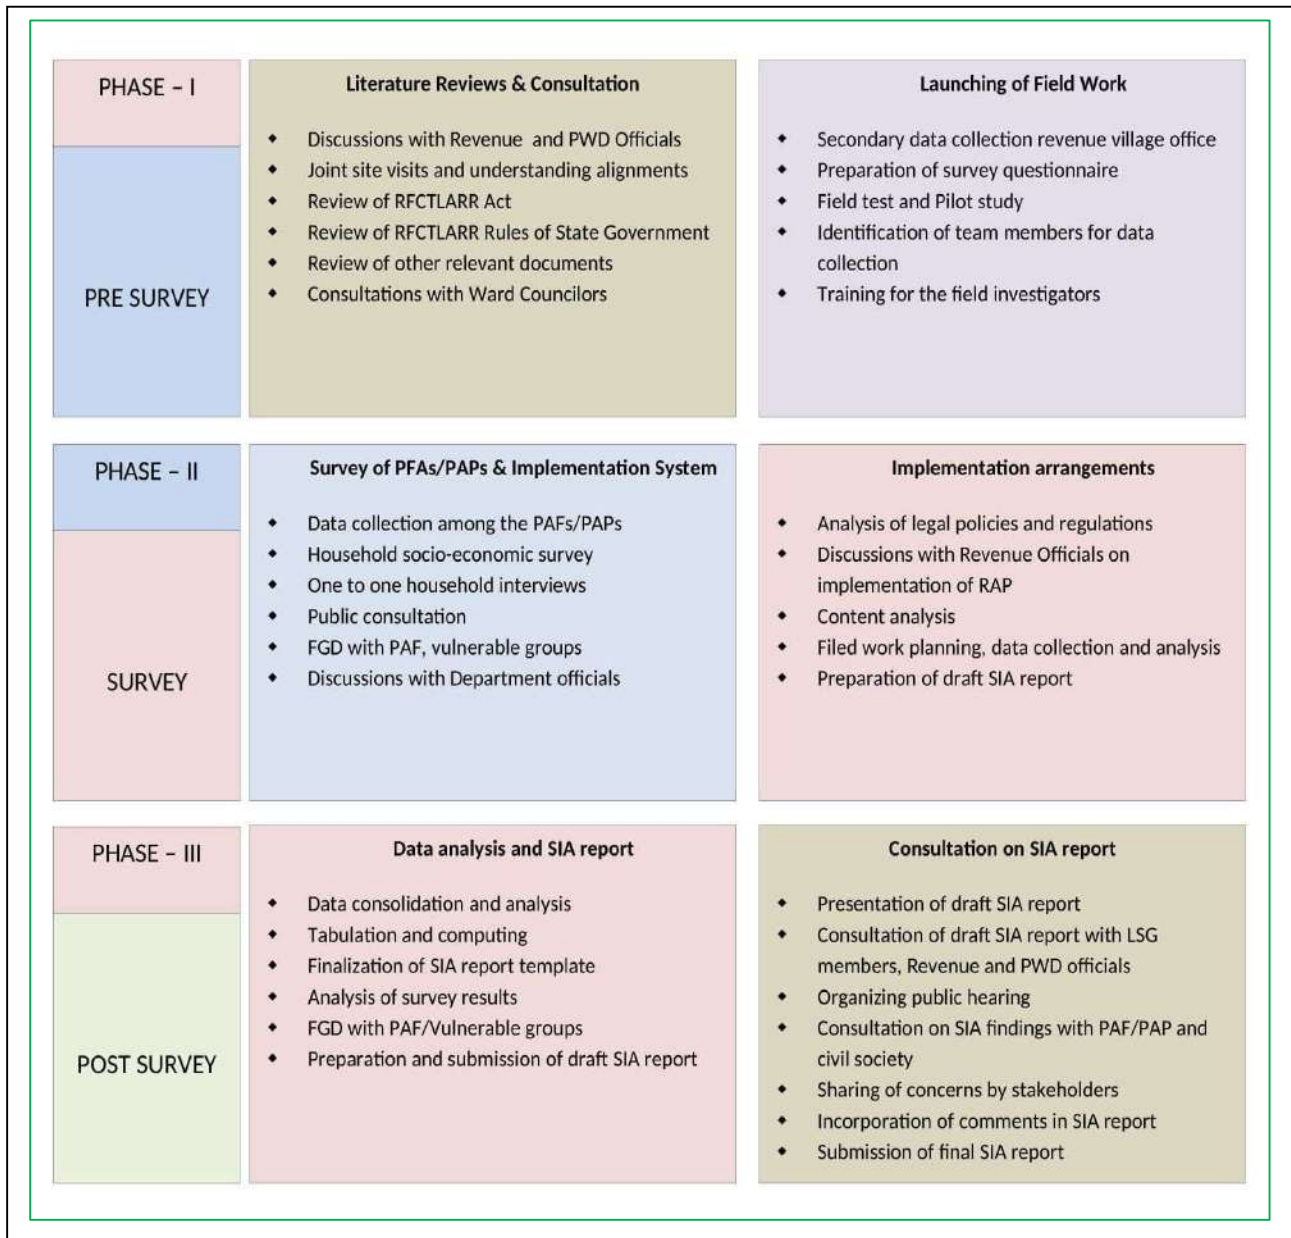

The objective of Social Impact Assessment Study (SIA) is to assess the social and economical impact on the said land acquisition based on the losses might be happened to the people as part of the land acquisition. It consists of enumerate the number of affected land holdings and structures, affected people and families, identification of social impacts on land acquisition etc. Both secondary and primary data from the people concerned and related institutions were systematically collected as part of the study. All these data and information helped to assess the impact and prepare Social Impact Management Plan (SIMP) as per the Act 30 of 2013. A questionnaire was prepared and conducted survey at the field level to gather necessary data and information for preparing the Social Impact Assessment report and also conducted focus group discussions with various stakeholders.

#### 3.2 Social Impact Assessment Study and Preparation of Social Impact Management Plan.

The Social Impact Assessment Study and preparation of Social Impact Management Plans are essential when the land acquisition results in either social or economic damage and displacement of the people. The rehabilitation and resettlement plan must be ensured the livelihoods of people affected by the project execution in the same condition as before the land acquisition or in a much better condition. The study team has made necessary preparations to conduct Social Impact Assessment Study as follows:

- (i) Collection of data and information on socio-economic impacts of the project
- (ii) Communication and discussions with concerned officers, representatives of Local Self-Government, project affected people and the general public
- (iii) To read and understand the the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013
- (iv) Sharing of responsibilities among the team members

**Figure 3.1 Approach and Methodology for SIA Study**

**Figure 3.1** Presents approach and methodology of SIA study and various steps involved in the study. Detail as follows

- ⊙ Collection of secondary data from different sources
- ⊙ Review and study of relevant informations, documents and reports
- ⊙ Project area visit and interaction with people’s representatives, project affected people and the general public
- ⊙ Enumeration and data collection of properties, project affected individuals and families

- ⊙ Analysis of socio-economic statistics
- ⊙ Consultation and interaction with the affected people in the project area

### **3.5 Data Collection from Secondary Sources**

Secondary data were collected from different sources related to the proposed social impact assessment study. Simultaneously primary data were collected from the project affected people, families and other stakeholders through the field level survey and consolidated all such data and information for preparing the final report. Both primary and secondary data and information provided a clear indication of social, economic, and cultural conditions of the affected area.

### **3.6 Site visits and Information Dissemination**

Field visits and discussions with people along with pilot study was conducted before starting the detailed socio-economic survey at the proposed project area. Initially data were collected from few people in the pilot study and assessed their responses. Based on the feedbacks from the respondents' necessary changes were made in the socio-economic survey questionnaire and collected necessary data from the affected people and families. The schedule of consultations with the key stakeholders are described in the table 3.2

<b>Table 3.2 Schedule of Consultations</b>		
<b>Sl. No</b>	<b>Date</b>	<b>Description</b>
1	14-12-2022	Secondary data collection from the office of Dy. Collector (LA) Special Tahsildhar (LA) KIIFB Unit-2, Thiruvananthapuram.
2	21-12-2022	Visit and discussions with Village Officers at Keezhthonnakal, Ayiroopara, Vembayam, Koliyakode, Manikkal and Thekkada

9	14-03-2023	Public Hearing at 11 am
10	17-03-2023	Preparation of Final Report
11	21-03-2023	Submission of Final Report

Based on the identification of the project area and the affected individuals and families, primary data was collected directly from the concerned in the months of January 2023 and the information obtained was compiled in February 2023 and the draft Social Impact Assessment Report was published on 27 February 2023. Thereafter the public hearing was held on Tuesday 14<sup>th</sup> of March 2023 at 11am in Panavoor Buildings at Nannattukavu as stipulated in the Act 2013. The public hearing was organized abiding by all the norms prescribed by the Government of Kerala for prevention of outbreak of Covid-19

### **3.7 Socio-economic Survey**

As part of this assignment field level survey was conducted to collect socio-economic status of project affected families and necessary information like names of affected families/institutions, survey number, thandaper, extend of land etc. was collected with the help of questionnaire. (Questionnaire enclosed in Annexure 2). The methodology adopted for data collection was to visit houses/institutions directly and consultation with stakeholders.

The survey was conducted through door-to-door visit and personal interactions. The survey schedule was prepared in view of collecting as much as information of the project affected people and families such as extent of land, size and type of buildings and constructions, details of affected families, ownership and possession of land and buildings, data related to social and economical profile, family details, occupation, source of income, family income and expenditure, household assets, information on affected commercial/domestic structures, employment activities, employment pattern were collected and recorded. The affected families were asked to produce land tax receipt, Aadhaar card, ration card, voter identity card or any other document available as proof of ownership. The same was verified by the team member to ensure ownership of a person or family.

### **3.8 Data Compilation and Validation**

Duly filled survey sheets were collected, consolidated and entered into a database for further assessment and analysis. This information was updated on a regular basis as and when data for incomplete sheets were filled in. The consolidated data were later shared with the team to validate and cross-checking to avoid errors.

### **3.9 Data Analysis and Preparation of Report**

Data analysis was carried out after the data compilation and validation and reached in to conclusion based on the data and information available. The compiled data and information were used to prepare the Final Report of Social Impact Assessment.

### **3.10 Public Hearing and Consultation with General Public**

Interviews and discussions were conducted by the SIA team with various primary and secondary stakeholders. These interviews and discussions were facilitated to collect information regarding the positive and negative aspects of land acquisition for the proposed project. It helped to understand the expectations of the potentially affected persons in relation with the compensation. Special attention was given to hear from the women/groups to understand their perspective on the land acquisition and sought suggestions for minimize the social and economical impact and remedies for mitigating such anticipated adverse effects.

In connection with the proposed land acquisition, the public hearing as per the Acts and Rules, 2013 was held on Tuesday 14<sup>th</sup> of March 2023 at 11am in Panavoor Buildings at Nannattukavu abiding by the norms prescribed by the Government for prevention of outbreak of Covid-19. Information and knowledge gained from the social impact study on the proposed project was shared with the affected persons in the Public Hearing and presented relevant parts of the draft report in the meeting. During the public hearing, issues related to land acquisition,

compensation, income restoration, employment generation, information flow, grievance redressal, safety, role of administrator etc. were discussed. SIA team facilitated following methods for conducting public consultation at various stages of the study:

- 1) Informal personal consultation
- 2) Focus Group Discussions (FGD) with different groups of affected people
- 3) In-depth individual interviews
- 4) Discussions and interviews with key informants
- 5) Public Hearing.

**Public Hearing:** The public hearing as per the Acts and Rules, 2013 was held on Tuesday 14<sup>th</sup> of March 2023 at 11am in Panavoor Buildings at Nannattukavu abiding by the norms prescribed by the Government for prevention of outbreak of Covid-19. The meeting was presided over by Sri. Antony Kunnath, Chairman of the SIA Unit. Sri. Nowshad. T, Special Tahsildar (LA), Smt. Prabhitha. PS, Senior Clerk, Smt. S. Neena, Revenue Inspector, Smt. Gayathri. CV, Junior superintendent and Sri. Suresh Kumar, Surveyor were represented on behalf of Revenue Department, KIIFB Unit-2, Thiruvananthapuram. Smt. Deepa Rani. G, Assistant Executive Engineer, Smt. Remya S, Assistant Engineer and Sri. Vinayak, PE were represented on behalf of Requisition Authority, KRFB, Thiruvananthapuram. 295 land owners and their representatives from the affected families and 8 members including Sri. Antony Kunnath, Chairman of Social Impact Assessment Unit and altogether 311 persons were attended in the Public Hearing. Sri. Jayakumar L welcomed the gathering and Smt. Anjali S Suresh extended vote of thanks on behalf of Planet Kerala. (Attendance of the participants are enclosed as Annexure 08 and 09)

Mr. Antony Kunnath, Chairman of Social Impact Study Unit presented and explained the relevant parts of the Social Impact Assessment Study Report at the Public Hearing and facilitated the discussions. The Public Hearing helped the people clarify their doubts and to aware of the procedures related to the land acquisition. Concerned officers has given proper guidance and information to the project affected people to accomplish the land acquisition process smoothly. Detailed report on the questions and clarifications made in the Public Hearing is enclosed as Annexure 10

### **3.11 Limitations of the Study**

Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 envisioned ensuring fairness and transparency in land acquisition process. Following are the limitations and issues faced by the SIA team at the field level:

- 1) The Executive Executive Engineer, Kerala Road Fund Board (KRFB), Thiruvananthapuram, has requisited for land acquisition for the proposed project, but the land acquisition

process has been delayed due to various reasons hence the landowners are concerned about whether the project will be implemented or not

- 2) The landowners were unaware of SIA study for the proposed project. So, they are concerned about how the study would be and whether the land acquisition would be delayed again due to the SIA study process.
- 3) The affected families have complained that the alignment stones were installed by the concerned departments without giving any notice or information to the land owners and the existing 'purambok' land is not marked for acquisition in many places.
- 4) A number of visits were required to find the affected persons or their representatives to collect necessary data. A few of the land owners resided outside the project area or in the city or else where, so it was necessitated to contact them several times to collect information from them.
- 5) It is noticed that the Survey Numbers specified in the 4(1) Notification varies from the Survey Numbers and Sub Divisions at the field level. The data collected from the field shows that the land acquisition will directly affect landholdings of 531 Sub divisions of 93 Survey Numbers belongs to 414 land owners from 389 families belongs to 8 blocks in 6 revenue villages namely Keezhthonnakal and Ayiroopara of Thiruvananthapuram Taluk and Vembayam, Koliyakode, Manikkal and Thekkada of Nedumangad Taluk of Thiruvananthapuram district. Due to variation in survey numbers and sub-divisions of land to be acquired, more time and effort was required to complete the SIA study process.

## **CHAPTER - 4**

### **LAND ASSESSMENT**

#### **INTRODUCTION**

Collection of socio-economic statistics of all affected individuals and families on the basis of a specially prepared questionnaire was completed in the month of February 2023. Various information such as the affected properties, type of property, ownership, impact on private property, income, expenditure and livelihood pattern of the people, extend of impact on land acquisition etc. were collected. Socio-economic statistical analysis helped to understand clear picture of the implications of land acquisition for the proposed development project. The main observations and findings are presented in the following sections in this chapter.

#### **4.1 Entire area of Impact under the influence of the Project**

Table 4.1 summarise the social impact on land acquisition for the proposed project Improvement to Pazhakutty-Mangalapuram Road Reach-2. As per the 4(1) notification, It is estimated that the proposed land acquisition of 291.07 Ares of land which belongs to different survey numbers in Block No. 6 of Keezhthonnakal revenue village, Block No. 13 of Ayiroopara revenue village in Thiruvananthapuram Taluk and Block No. 31 of Vembayam revenue village, Block No. 28 of Koliyakkode revenue village, Block No. 28 of Manikkal revenue village and Block Nos. 31, 32, 30, of Thekkada revenue village in Nedumangad Taluk of Thiruvananthapuram district.

But the field level social impact assessment study reveals that due to subdivisions of the landholdings the number of affected families has increased to 389 families and 414 land owners who owned land in 531 Subdivision numbers of 93 Survey Numbers in the abovementioned revenue villages. Hence, the Social Impact Assessment study was conducted among the 389 families in the project area. The names and details of the affected land owners and families are appended in Annexure 03.

It is enumerated total population of 1657 persons from the affected families/institutions in the project area and all of them will be affected directly or indirectly by the land acquisition for the proposed project Improvement to Pazhakutty-Mangalapuram Road Reach-2.
