CHAPTER – 1

1.1 Introduction- Project and Public Purpose

The Assistant Executive Engineer, Kerala Road Fund Board (KRFB), Thiruvananthapuram is the Requisition authority for the Land acquisition of 'Construction of Coastal Highway Pallithura-Onnampalam Reach-3'. The Special Tahsildhar (LA) KIIFB Unit-2, Thiruvananthapuram, is designated as the Land acquisition officer. Proposed project envisages for the Construction of Coastal Highway Pallithura-Onnampalam Reach-3. The proposed land acquisition of 10.11 Hectare of land which belongs to different survey numbers in Attipra, Menamkulam, Kadinamkulam Revenue Villages in Thiruvananthapuram Taluk and Sarkara and Anchuthengu Revenue Villages in Chirayinkeezhu Taluk of Thiruvananthapuram district as per the 4(1) notification No. 4118 in volume No. 11 of extra ordinary Gazatte of Government of Kerala on 03 December 2022.

The proposed land acquisition for Construction of Coastal Highway Pallithura-Onnampalam Reach-3 comes under the jurisdiction of Kadinamkulam, Chirayinkeezhu and Anchuthengu Gramapanchayaths spread over Chirayinkeezhu Assembly Constituency. The proposed land acquisition starts from stone number R-1 laid in the right-side compound of Pallithura Higher Secondary School in Kazhakkootam-VSSC Road and in the opposite side L-1 stone laid in left side of beach road. The alingnment marking ends in the Varkala road at Onnampalam after Anchuthengu and laid L-549 and R-610 stones. The proposed project envisages to enhance the transportation facilities and avoid the traffic congestion and ease the transportation by improvement of the existing road. It will cater the need of ever-growing transportation in this route and increase accessability to the main roads and reduce running time between cities. It is planned to improve the existing coastal road by acquiring land 5-to-8-meter width for ensuring coastal highway standards in the existing road. The coastal highway in the state having an approximate length of 629 Km.

The land acquisition for the said project of Construction of Coastal Highway Pallithura-Onnampalam Reach-3 has been started as per the sanction obtained from the Government of Kerala vide G.O(Rt) Number 1186/2022/RD dated 19-03-2022. Thereafter, Special Tehsildar (LA) KIIFB Unit-2 Thiruvananthapuram was appointed as the Land Acquisition Officer to perform the duties of the appropriate government through the proceedings of District Collector, Thiruvananthapuram and thereafter the land acquisition process has been initiated. As stipulated in the 'Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013, the District Administration has taken necessary steps to appoint Social Impact Assessment Unit and Planet Kerala has been assigned to conduct the social impact assessment study.

The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 stipulates that social impact assessment should be conducted and prepare report prior to the land acquisition. The proceedings of the District Collector of Thiruvananthapuram vide letter number K.6-89903/16 dated 07-02-2017 has empanelled Planet Kerala as one of the Social Impact Assessment Units (SIA) in Thiruvananthapuram district and also empaneled State Level SIA Unit as per the Order Number GO (Rt) No.982/2020/RD dated 10-03-2020 of Revenue Principal Secretary. Based on the foresaid government orders Planet Kerala has been entrusted with the responsibility to conduct the Social Impact Assessment Study of the project of Construction of Coastal Highway Pallithura-Onnampalam Reach-3. The notification for the same was published in an extra ordinary Gazettee of Government of Kerala on 03 December 2022 with reference number 4118 of Volume 11. Accordingly, Planet Kerala has started Social Impact Assessment in the proposed project area.

1.2 Project Location

The proposed land acquisition comes under the geographical area of Kadinamkulam, Chirayinkeezhu and Anchuthengu Gramapanchayaths in Chirayinkeezhu Assembly Constituency and belongs to different survey numbers in Attipra, Menamkulam, Kadinamkulam Revenue Villages in Thiruvananthapuram Taluk and Sarkara and Anchuthengu Revenue Villages in Chirayinkeezhu Taluk of Thiruvananthapuram district.

The proposed land acquisition for Construction of Coastal Highway Pallithura-Onnampalam Reach-3 starts from stone number R-1 laid in the right-side compound of Pallithura Higher Secondary School in Kazhakkootam-VSSC Road and in the opposite side L-1 stone laid in left side of beach road. The alignment marking ends in the Varkala road at Onnampalam after Anchuthengu and laid L-549 and R-610 stones.

The proposed project covers 30 local self-government wards as the table illustrated below:

1.3 Size and Attributes of Land Acquisition

The 4(1) Notification of the land acquisition for Construction of Coastal Highway Pallithura-Onnampalam Reach-3 notified an approximate extent of 10.11 Hectare of land belongs 459 different survey numbers in Attipra, Menamkulam, Kadinamkulam Revenue Villages in Thiruvananthapuram Taluk and Sarkara and Anchuthengu Revenue Villages in Chirayinkeezhu Taluk of Thiruvananthapuram district.

Village	Numbers
Attipra	3
Menamkulam	95
Kadinamkulam	116
Sarkara	82
Anchuthengu	163
TOTAL	459

But the field verification and study revealed that the proposed approximate extent of 10.11 Hectare of land belongs 1140 land owners/possession from 1061 families in 5 revenue villages. The number is increased due to sub-division, possession, encroachment etc. and the Social Impact Assessment study has been conducted by including such properties at the filed.

The following table illustrates the project affected families in the 5 Revenue Villages

Village	Number of Families	Number of Owners
Attipra	2	2
Menamkulam	253	270
Kadinamkulam	119	140
Sarkara	291	312
Anchuthengu	396	416

1.4 Alternatives Considered

The proposed land acquisition for construction of Coastal Highway from Pallithura to Onnampalan Reach-3 is planned to improve the existing coastal road by acquiring land 5-to-8-meter width for ensuring coastal highway standards in the existing road. The coastal highway length in the state is nearly 629 Km, out of which in nearly 420 Km length stretch needs to be acquired on an average width of 5 to 8 meters to make the existing road to Coastal Highway standards.

Implementation of the project, after land acquisition, will help speedy, safe and comfortable movement of vehicles in the coastal route. It will also help to improve the road transportation facilities and the tourism promotion by infrastructure development of the State which in turn improve the social and economic development of the State. The proposed project is planned to achieve the above objectives and prepared alignment accordingly. The land acquisition will affect the land and properties of the land owners and those people who are possessed land by possession and encroachment in this area for a long period of time now.

The proposed improvement to the existing road will enhance travel facilities and reduce traffic congestion in this route. Eventhough, the affected families and land owners are worried and some of them are protesting against the land acquisition as they will lose their land, constructions, employment and livelihood. However, land acquisition is essential to materialize the coastal highway requirements even if it affects land, assets, business and livelihood of the affected families. Besides, because of the land acquisition process is progressing in line with the right to fair compensation and transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 and the proposed project will help development of the coastal highway in the state. In this context there is no alternatives are to be considered.

1.5 Social Impacts and Mitigation Measures

Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 2013 stipulated to conduct Social Impact Assessment Study prior to land acquisition. The study will assess different aspects of the social impact of land acquisition affected to the people who are giving up their land and assets. The study will bring forth necessary suggestions and mitigation strategies and actions to be undertaken to reduce the impact on land acquisition. The summary of the impacts is as follows:

1.6 Assessment of Social Impact at different Phases of Project

No	Phases	Social Impact
1	Prior to Construction	<ul style="list-style-type: none"> ◆ Land survey and acquisition based on the proposed alignment and providing compensation. ◆ Fixation of value and provide compensation for structures and assets and demolition of the same ◆ Safety and security of the people residing in and around the proposed project area ◆ Loss of business and livelihood and agriculture crops ◆ Avail adequate compensation for the land and structures
2	During Construction	<ul style="list-style-type: none"> ◆ Employment opportunities during the construction period ◆ Local people suspect that the employment opportunities of the local people will reduce if the outside employees will come and work on the constructions. Also concerned about health issues such as waste dumping, epidemic diseases and so on. ◆ Concerns about dust, wastes and pollutions while demolishing the structures or during construction period ◆ Health issues related to dust, waste and pollutions ◆ Safety and security of the travelers, people residing in and around the project area and workers ◆ Concern about the traffic bann during construction period ◆ Interruption of power and water supply when rearranging electric posts, pipelines and transformers
3	Post Construction	<ul style="list-style-type: none"> ◆ Improved road and improved transportation ◆ Integrated development of coastal highway in the State ◆ Increased land value, better infrastructure facilities and increased employment opportunities ◆ Improved income and better living standards

10	Loss of religious/ worship places and assets	Religious places using for various purposes are affecting by land acquisition	Restoration measures are to be undertaken

Note: The above conclusion is arrived as per the information given by the respondents. The supporting documents needed to be verified.

Measures to Avoid, Mitigate and Compensate Social Impact

- ❖ Adequate compensation should be given to the affected families and land owners while acquiring the land and properties.
- ❖ Proper guidance and directions are to be given to the affected families by the concerned officers regarding the proposed alignment and the compensation packages.
- ❖ Adequate compensation should be given to the shop owners and employees who loss their employment and livelihood means due to the land acquisition.
- ❖ Affected people are concerned about the land acquisition as they have no official information and whether the appropriate government is deserious to undertake their land for the proposed project.
- ❖ Adequate compensation should be given to the affected families for the houses and constructions, shops, boundary walls, gate, trees etc.
- ❖ If there is a situation of workers from outside permanently reside in the area during the period of land acquisition as well as constructions, the concerned authorities and organizations had to pay special attention to address and resolve the issues related to health, sanitation and waste management
- ❖ Necessary Precautions should be taken by the concerned authorities for the safety of the public, travelers and workers during the period of land acquisition and constructions.
- ❖ Appropriate measures should be taken by the concerned departments to avoid travel ban and traffic obstruction during the construction period
- ❖ Appropriate measures should be taken by the concerned departments to restore the public utility services such as transformer, electric lines, drinking water pipe lines and other such amenities.

CHAPTER – 2

DETAILED PROJECT DESCRIPTION

2.1 Background of the Project

Thiruvananthapuram is the southernmost coastal district of Kerala state. The district stretches along the shores of the Arabian Sea for a distance of 78 Kms. The district has an area of 2,192 Sqkm and came into existence in 1957. As per the 2011 census the district has a population of 33,07,284. It is the second-most populous district in Kerala after Malappuram district. For the administrative convenience the district is divided into six taluks namely Thiruvananthapuram, Neyyattinkara, Chirayinkeezhu, Kattakada, Nedumangad and Varkala. Thiruvananthapuram district consists of Thiruvananthapuram Corporation, 12 Block Panchayats, 73 Gramapanchayats and 4 Municipal Corporations.

The proposed land acquisition for Construction of Coastal Highway Pallithura-Onnampalam Reach-3 is planned covering the areas in 5 revenue villages namely Attipra, Menamkulam, Kadinamkulam Revenue Villages in Thiruvananthapuram Taluk and Sarkara and Anchuthengu Revenue Villages in Chirayinkeezhu Taluk of Thiruvananthapuram district. The project area comes under the Pallithura ward No. 100 of Thiruvananthapuram Corporation and 29 Gramapanchayath wards of Kadinamkulam, Chirayinkeezhu and Anchuthengu. The population details of concerned Gramapanchayaths are as per the 2011 census is as follows:

Table– 2.1 LSGD Population Details

The Kerala Road Fund Board (KRFB) is established in 2001 by the Government of Kerala under the Kerala Road Fund Act. It is a funding agency for providing financial assistance to the transport facility projects in the state. Kerala Road Fund Board plays a pivotal role in the overall infrastructure development of Kerala. Requirement of a professional and statutory body to take

up the fund management of Kerala State Public Works Department has given shape to the Kerala Road Fund Board (KRFB).

2.2 Rationale of the Project

The land acquisition for Construction of Coastal Highway Pallithura-Onnampalam Reach-3 has been started based on the sanction obtained from the Government Order No. G.O (Rt) No. 1186/2022/RD dated 19-03-2022.

- The Land Acquisition Act of 1894 was amended by the Central Government in 2013 and the same was replaced by the 'Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013, which came into existence on 1st January 2014. Subsequently, subjected to the provisions of the Act, the State Govt. of Kerala has formulated and published the Rules on 23rd September 2015. The process of Land acquisition for Construction of Coastal Highway Pallithura-Onnampalam Reach-3 has been started based on the said Act and Rules.
- The Special Tahsildhar (LA) KIIFB Unit-2, Thiruvananthapuram has designated as the land acquisition officer by the District Collector to perform the duties of the appropriate government.
- Govt. of Kerala has assigned Planet Kerala to conduct a Social Impact Assessment Study and prepare Social Impact Management Plan on the proposed project as per the 4(1) Notification No. 4118 dated 03 December 2022 in the Extraordinary Gazette of the appropriate government
- The Social Impact Assessment Study for Construction of Coastal Highway Pallithura-Onnampalam Reach-3 was conducted in the proposed area having an extend of approximately 10.11 Hectare of land as per the 4(1) notifications.
- The proposed land acquisition of 10.11 Hectare of land which belongs to different survey numbers in Attipra, Menamkulam, Kadinamkulam Revenue Villages in Thiruvananthapuram Taluk and Sarkara and Anchuthengu Revenue Villages in Chirayinkeezhu Taluk of Thiruvananthapuram district. The land acquisition will directly affect 1140 land owners/possession belongs to 1061 families.
- The Assistant Executive Engineer, Kerala Road Fund Board (KRFB), Thiruvananthapuram is the Requisition Authority and the special Tahsildhar (LA) KIIFB Unit-2, Thiruvananthapuram is designated as the Land Acquisition Officer.
- The Govt of Kerala has enacted Rules and published State policies on 23rd September 2015 as stipulated in the Right to Fair Compensation and Transparency in Land Acquisition,

Rehabilitation and Resettlement Act 30 of 2013. Accordingly, the Government of Kerala has decided to initiate a Social Impact Assessment study prior to land acquisition to ensure transparency and fair compensation in land acquisition

- The following benefits are expected from the project implementation of Construction of Coastal Highway Pallithura-Onnampalam Reach-3:
 - ★ Development of existing road from Pallithura to Onnampalam Reach-3 with Coastal Highway standards as part of the integrated development of Coastal Highway in Kerala nearly 629 Km length.
 - ★ Improved safe transportation facilities and reduced traffic congestion
 - ★ Improvement of infrastructure facilities of the State which in turn enhance social as well as economical development of the State.

2.3 Examination of Alternatives

The proposed project will help to improve transportation facilities of the people living in Attipra, Menamkulam, Kadinamkulam Revenue Villages in Thiruvananthapuram Taluk and Sarkara and Anchuthengu Revenue Villages in Chirayinkeezhu Taluk of Thiruvananthapuram district. It will also help safe and speedy travel of the long-distance travellers as well as the tourist passing through this route. The feedbacks from the interactions with the people during the field level assessment in social impact study reveals that the project will improve the infrastructure facilities in the proposed area.

The coastal highway length in the state is nearly 629 Km, out of which in nearly 420 Km length stretch needs to be acquired on an average width of 5 to 8 meters to make the existing road into Coastal Highway standards. In such a view the land acquisition process has been initiated by the appropriate government. The execution of the proposed project will enhance transportation facilities and reduce traffic congestion which in turn improve infrastructure facilities as well as the social and economical growth of the people and the state. Acquisition of land from the private land owners will help to improve infrastructure development of the State as well as to obtain fair compensation for the land owners and affected families. However, affected families and landowners are worried, some of whom are protesting against land acquisition, as land, construction, jobs and livelihoods will be lost. In such a situation the requiring body could not laid the alignment stones at many places and hence the SIA study team faced strong protests against the data collection as well. Governmental interventions to make the current situation favorable for land acquisition for the proposed project will enable smooth completion of the land

acquisition process. However, land acquisition is essential to materialize the coastal highway requirements even if it affects land, assets, business and livelihood of the affected families.

The requisition authority, KRFB, has made all possible efforts to reduce the social and environmental impact on private land owners while preparing the alignment for the proposed Construction of Coastal Highway Pallithura-Onnampalam Reach-3.

The Social Impact Assessment study reveals that the affected families as well as the general public are aware of the need for this development activity. It is expected that the affected families will be willing to hand over their land and properties if they are adequately compensated for their land and properties. Besides, because of the land acquisition process is progressing in line with the right to fair compensation and transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013, and the proposed land acquisition for Reach-3 is part of an integrated coastal highway development project of the state government. Therefore, no alternatives are feasible or to be considered regarding this land acquisition.

2.4 Phases of Construction

Once the land acquisition process is completed by the Revenue Department, the acquired land can be handed over to the KRFB, Thiruvananthapuram and Development works of Coastal Highway Reach-3 from Pallithura to Onnampalam may carry out.

2.5 Core Design Features

The proposed land acquisition for Construction of Coastal Highway Pallithura-Onnampalam Reach-3 required an area of 10.11 Hectare of land. KRFB, Thiruvananthapuram, the requisition authority, will have to take necessary steps to complete the work on time and could be used modern technologies for the construction. It is also desirable to made necessary amenities such as proper drainage systems, bus bay, foot paths, parking facilities and so on for the convenience of the travellers and attract visitors and tourists.

2.6 Need for Ancillary Infrastructural Facilities

The proposed project planned Construction of Coastal Highway Pallithura-Onnampalam Reach-3 with coastal highway standards, hence no need to build any other ancillary facilities. Eventhough, it is essential to made necessary re-arrangements of electric posts, drinking water pipe lines etc.

2.7 Workforce Requirements

Sufficient man power with different skills are required for the effective completion of the proposed project within the stipulated period of time. Modern equipments and experienced

engineers are inevitable for managing the construction works. The project is expected to cater employment opportunities for the workforce in and around the area together with the workforce from outside.

2.8 Studies Conducted Earlier

No Social impact Assessment Studies were conducted earlier in relation with the proposed Construction of Coastal Highway Pallithura-Onnampalam Reach-3. The Social impact Assessment Study conducted by Planet Kerala is first in this regard.

2.9 Applicable Legislations and Policies

The applicable laws on land acquisition, transparency, rehabilitation and resettlement for the proposed Construction of Coastal Highway Pallithura-Onnampalam Reach-3 are as follows:

- The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013.
- Rules and State Policy enacted by the Govt of Kerala in 2015 for the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement.
- The policy formulated by the State Government as per G.O (MS) No.485/2015/RD dated 23-09-2015 in accordance with the excess payment of compensation or rehabilitation and resettlement benefits other than those mentioned in the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 and subsequent rules.
- Rehabilitation and Resettlement package of the State Government as per GO (MS) No. 448/2017/RD dated 29-12-2017.
- Special Rehabilitation and Resettlement Package offered to the evictees as part of acquisition of land for Coastal Highway GO (MS) No. 50/2023/RD dated 10-03-2023
- Right to Information Act, 2005.
- The Rights of Persons with Disabilities Act, 2016.

Right to Information Act, 2005

The Right to Information Act came in to force on 2005 to empower the citizens, promote transparency and accountability in governance, prevent corruption, and make our democracy people-centered in a real sense. It goes without saying that an informed citizen is better equipped to keep necessary vigil on the instruments of governance and make the government more

accountable to the governed. The Act is a noble step towards making the citizens informed about the activities of the Government and subsidiary institutions.

The Rights of Persons with Disabilities Act, 2016

The Act 2016 is guided by the philosophy of empowering persons with disabilities. The Act endeavors to introduce an instrument for promoting equality and participation of persons with disability on the one hand, and eliminating discriminations of all kinds, on the other.

CHAPTER - 3

APPROACH AND METHODOLOGY OF THE STUDY

3.1 Background

The proceedings of the District Collector of Thiruvananthapuram vide letter number K.6-89903/16 dated 07-02-2017 has empanelled Planet Kerala as one of the Social Impact Assessment Units (SIA) of Trivandrum district. Planet Kerala also been empanelled as one of the Social Impact Assessment Units (SIA) in the state of Kerala by the Revenue Principal Secretary as per the Order Number GO (Rt) No.982/2020/RD dated 10/03/2020. Both orders have entrusted Planet Kerala to conduct the social impact assessment studies in the district as well as in the state. Thus, Planet Kerala has been conducted Social Impact Assessment Study of Construction of Coastal Highway Pallithura-Onnampalam Reach-3.

The objective of Social Impact Assessment Study (SIA) is to assess the social and economical impact on the said land acquisition based on the losses might be happened to the people as part of the land acquisition. It consists of enumerate the number of affected land holdings and structures, affected people and families, identification of social impacts on land acquisition etc. Both secondary and primary data from the people concerned and related institutions were systematically collected as part of the study. All these data and information helped to assess the impact and prepare Social Impact Management Plan (SIMP) as per the Act 30 of 2013. A questionnaire was prepared and conducted survey at the field level to gather necessary data and information for preparing the Social Impact Assessment report and also conducted focus group discussions with various stakeholders.

3.2 Social Impact Assessment Study and Preparation of Social Impact Management Plan.

The Social Impact Assessment Study and preparation of Social Impact Management Plans are essential when the land acquisition results in either social or economic damage and displacement of the people. The rehabilitation and resettlement plan must be ensured the livelihoods of people affected by the project execution in the same condition as before the land acquisition or in a much better condition. The study team has made necessary preparations to conduct Social Impact Assessment Study as follows:

- (i) Collection of data and information on socio-economic impacts of the project
- (ii) Communication and discussions with concerned officers, representatives of Local Self-Government, project affected people and the general public
- (iii) To read and understand the the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013
- (iv) Sharing of responsibilities among the team members

Figure 3.1 Approach and Methodology for SIA Study

Figure 3.1 Presents approach and methodology of SIA study and various steps involved in the study. Detail as follows

- ⊙ Collection of secondary data from different sources
- ⊙ Review and study of relevant informations, documents and reports
- ⊙ Project area visit and interaction with people’s representatives, project affected people and the general public
- ⊙ Enumeration and data collection of properties, project affected individuals and families

- ⊙ Analysis of socio-economic statistics
- ⊙ Consultation and interaction with the affected people in the project area
- ⊙ Consultation and interaction with the general public in the project area
- ⊙ Preparation and publish draft report of the Social Impact Assessment Study
- ⊙ Public hearing as stipulated in the Act 30 of 2013
- ⊙ Preparation of final report and submission along with supporting documents

3.3 Desk Research

The study team examined and analyzed the required documents related to the Land Acquisition Act 30 of 2013 and subsequent orders. The team also studied other study reports related to the social impact assessment study

3.4 Composition of Social Impact Assessment Team

The Social impact assessment study team is headed by Mr. Antony Kunnath, the Chairman of SIA Unit and the Executive Director of Planet Kerala. A team of 8 members having experience in conducting socio-economic surveys and such other studies were assigned for field level data collection, monitoring and co-ordination of the entire study process. The service of consultants and experts from development sector was also utilized for analyzing and preparing final report of the Social Impact Assessment. The study process was completed within the stipulated period of time without any interruption and obtained guidance and services from the officials of the departments of Revenue and KRFB, Thiruvananthapuram as and when required. The names of the team members involved in the study are mentioned below:

3.5 Data Collection from Secondary Sources

Secondary data were collected from different sources related to the proposed social impact assessment study. Simultaneously primary data were collected from the project affected people, families and other stakeholders through the field level survey and consolidated all such data and information for preparing the final report. Both primary and secondary data and information provided a clear indication of social, economic, and cultural conditions of the affected area.

3.6 Site visits and Information Dissemination

Field visits and discussions with people along with pilot study was conducted before starting the detailed socio-economic survey at the proposed project area. Initially data were collected from few people in the pilot study and assessed their responses. Based on the feedbacks from the 'respondents' necessary changes were made in the socio-economic survey questionnaire and collected necessary data from the affected people and families. The schedule of consultations with the key stakeholders are described in the table 3.2

Based on the identification of the project area and the affected individuals and families, primary data was collected directly from the concerned in the months of January – April 2023 and the information obtained was compiled in April 2023 and the draft Social Impact Assessment Report was published on 10 May 2023. Thereafter the public hearing was held on Thursday 25th at 11 am at Asan Smarakam, Kayikkara for the affected families from the Anchuthengu Gramapanchayath and Friday 26th of May 2023 at 11am at Animation Centre, Mariyanad, for the affected families from Chirayinkeezhu and Kadinamkulam Gramapanchayaths as stipulated in the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013. The public hearing was organized abiding by all the norms prescribed by the Government of Kerala.

3.7 Socio-economic Survey

As part of this assignment, field level survey was conducted to collect socio-economic status of project affected families and necessary information like names of affected families/institutions, survey number, thandaper, extend of land etc. was collected with the help of questionnaire. (Questionnaire enclosed in Annexure 3). The methodology adopted for data collection was to visit houses/institutions directly and consultation with stakeholders.

The survey was conducted through door-to-door visit and personal interactions. The survey schedule was prepared in view of collecting as much as information of the project affected people and families such as extend of land, size and type of buildings and constructions, details of affected families, ownership and possession of land and buildings, data related to social and economical profile, family details, occupation, source of income, family income and expenditure, employment activities, employment pattern were collected and recorded. The affected families were asked to produce land tax receipt, Aadhaar card, ration card, voter identity card or any other document available as proof of ownership. The same was verified by the team member to ensure ownership of a person or family.

3.8 Data Compilation and Validation

Duly filled survey sheets were collected, consolidated and entered into a database for further assessment and analysis. This information was updated on a regular basis as and when data for incomplete sheets were filled in. The consolidated data were later shared with the team to validate and cross-checking to avoid errors.

3.9 Data Analysis and Preparation of Report

Data analysis was carried out after the data compilation and validation and reached in to conclusion based on the data and information availed. The compiled data and information were used to prepare the Final Report of Social Impact Assessment.

3.10 Public Hearing and Consultation with General Public

Interviews and discussions were conducted by the SIA team with various primary and secondary stakeholders. These interviews and discussions were facilitated to collect information regarding the positive and negative aspects of land acquisition for the proposed project. It helped to understand the expectations of the potentially affected persons in relation with the compensation. Special attention was given to hear from the women/groups to understand their perspective on the land acquisition and sought suggestions for minimize the social and economical impact and remedies for mitigating such anticipated adverse effects.

In connection with the proposed land acquisition, the public hearing as per the Acts and Rules, 2013 was held on Thursday 25th at 11 am at Asan Smarakam, Kayikkara for the affected families from the Anchuthengu Gramapanchayath and Friday 26th of May 2023 at 11am at Animation Centre, Mariyanad, for the affected families from Chirayinkeezhu and Kadinamkulam Gramapanchayaths. The public hearing was organized abiding by all the norms prescribed by the Government of Kerala. Information and knowledge gained from the social impact study on the proposed project was shared with the affected persons in the Public Hearing and presented relevant parts of the draft report in the meeting. During the public hearing, issues related to land acquisition, alignment, compensation, income restoration, employment generation, information flow, grievance redressal, safety, role of administrator etc. were discussed. SIA team facilitated following methods for conducting public consultation at various stages of the study:

- 1) Informal personal consultation
- 2) Focus Group Discussions (FGD) with different groups of affected people
- 3) In-depth individual interviews
- 4) Discussions and interviews with key informants
- 5) Public Hearing.

Public Hearing: 25 May 2023: The first public hearing as per the Acts and Rules, 2013 was held on Tuesday 25th of May 2023 at 11am at Asan Smarakam, Kayikkara for the affected families from the Anchuthengu Gramapanchayath. The meeting was presided over by the President of Anchuthengu Gramapanchayath Sri.V Laiju, and Development Standing Committee Chairman Sri. B.N Saiju Raj, Munduthura Ward Member Sri. Jude George, Mannakulam Ward Member Sri. Yesudhasan Stephan, Kapaleeswaram Ward Member Sri. Saji Sundar were attended in the meeting as representatives of Anchuthengu Gramapanchayath. Sri. Nowshad. T, Special Tahsildar (LA), KIIFB Unit-2 and Smt. Philomina L Special Village Officer, Anchuthengu Village were represented on behalf of Revenue Department. 09 SIA Team Members including Sri. Antony Kunnath, Chairman of Social Impact Assessment Unit and altogether 16 officials and 249 persons from the affected families and altogether 265 persons were attended in the Public Hearing. Sri. Jayakumar L welcomed the gathering and Smt. Radhu R B, extended vote of thanks on behalf of Planet Kerala. (Attendance of the participants are enclosed as Annexure 09 and 09)

Mr. Antony Kunnath, Chairman of Social Impact Study Unit presented and explained the relevant parts of the Social Impact Assessment Study Report at the Public Hearing and facilitated the discussions. Affected people were expressed their concerns and worries and some of them even protested and reluctant to record their attendance for the meeting. However, the SIA team and officials has given information about the land acquisition process and addressed the questions of

affected persons as much as possible and included the suggestions made by the people in the final report. (Details enclosed as Annexure 10)

Public Hearing: 26 May 2023: The second public hearing as per the Acts and Rules, 2013 was held on Friday 26th of May 2023 at Animation Centre, Mariyanad, for the affected families from Chirayinkeezhu and Kadinamkulam Gramapanchayath. The meeting was presided over by Pothencode Block Panchayath Puthukurichi Division Member Smt. Janet Victor. Thumba Block Division Member Sri. Jeferson MGU, Kadinamkulam Gramapanchayath Mariyanad South Ward Member Sri. Jose Nicholas, Vettuthura Ward Member Smt. Reetha Nikson, Puthukurichi North Ward Member Sri. Kabeer, Puthenthoppu Ward Member Sri. Prinson Descrus, Puthukurichi Ward Member Sri. Satheesh Ivanios, Mariyanad North Ward Member Smt. Rajani S, Puthenthoppu Ward Member Smt. Jasmine Babychen, Santhipuram Ward Member Smt. Sulaja, St. Andrews Ward Member Smt. Dorin Jacob were attended in the meeting as elected representatives. Sri. Nowshad. T, Special Tahsildar (LA), was represented on behalf of Revenue Department, KIIFB Unit-2, Thiruvananthapuram. Assistant Engineer KRFB Sri. Thafasul was represented on behalf of Requisition Authority, KRFB, Thiruvananthapuram. 10 SIA Team Members including Sri. Antony Kunnath, Chairman of Social Impact Assessment Unit and altogether 23 officials and 532 persons from the affected families and altogether 555 persons were attended in the Public Hearing. Sri. Jayakumar L welcomed the gathering and Smt. Soumya A extended vote of thanks on behalf of Planet Kerala. (Attendance of the participants are enclosed as Annexure 08 and 09)

Aforesaid two public hearing meetings were attended by total of 820 persons. Mr. Antony Kunnath, Chairman of Social Impact Study Unit presented and explained the relevant parts of the Social Impact Assessment Study Report at the Public Hearing and facilitated the discussions. The officials from KRFB explained details of the project and officials from LAO explained the land acquisition procedures. The Public Hearing helped the people clarify their doubts and to aware of the procedures related to the land acquisition. Concerned officers has given proper guidance and information to the project affected people to accomplish the land acquisition process smoothly. Detailed report on the questions and clarifications made in the Public Hearing is enclosed as Annexure 10.

3.11 Limitations of the Study

Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 envisioned ensuring fairness and transparency in land acquisition process. Following are the limitations and issues faced by the SIA team at the field level:

- 1) The Assistant Executive Engineer, Kerala Road Fund Board (KRFB), Thiruvananthapuram, has requisited for land acquisition for the proposed project, but the land acquisition process has been delayed due to various reasons hence the landowners are doubtful about whether the project will be implemented or not

- 2) The landowners were unaware of SIA study for the proposed project. So, they are concerned about how the study would be and doubtful whether the study or providing information would be adversely affected to them. Such doubts and worries were raised by the people at the time of field data collection and assessments.
- 3) There are complaints that the people were not properly informed about the placement of alignment stones on their properties. They complained that the alignment was improper and unfair. All such grievances lead to protests against officers in the field and disruption of their duties. All these adverse conditions caused delays in data collection, preparation and submission of reports.
- 4) Several visits were required to locate the affected persons or their representatives to collect the necessary data and information. Some of the landowners live outside the project area, in the city or elsewhere, so it was necessary to contact them several times to collect information from them. Also, some affected families were reluctant to provide the required information and data to the SIA team and protested the data collection, saying that they would not provide the data and information to the SIA agency conducting the study and would only provide the data to government officials.
- 5) As per the 4(1) notification an approximate area of 10.11 Hectares of land from Attipra, Menamkulam, Kadinamkulam revenue villages in Thiruvananthapuram Taluk and Sarkara and Anchuthengu revenue villages in Chirayinkeezhu Taluk needs to be acquired for the proposed construction of coastal highway from Pallithura to Onnampalam Reach-3. But the field level study revealed that the land to be acquired is owned/possessed by 1140 persons from 1061 families in the above revenue villages. The final report is prepared based on the data collected from 1140 people belongs to 1061 families who are potentially affected by the proposed land acquisition.

CHAPTER - 4
LAND ASSESSMENT

INTRODUCTION

Collection of socio-economic statistics of all affected individuals and families on the basis of a specially prepared questionnaire was completed in the month of April 2023. Various information such as the affected properties, type of property, ownership, impact on private property, income, expenditure and livelihood pattern of the people, extend of impact on land acquisition etc. were collected. Socio-economic statistical analysis helped to understand clear picture of the implications of land acquisition for the proposed development project. The main observations and findings are presented in the following sections in this chapter.

4.1 Entire area of Impact under the influence of the Project

Table 4.1 summarise the social impact on land acquisition for the proposed project Construction of Coastal Highway Pallithura-Onnampalam Reach-3. As per the 4(1) notifications, it is estimated that the proposed land acquisition of 10.11 Hectare of land which belongs to different survey numbers in Attipra, Menamkulam, Kadinamkulam Revenue Villages in Thiruvananthapuram Taluk and Sarkara and Anchuthengu Revenue Villages in Chirayinkeezhu Taluk of Thiruvananthapuram district. But the field level social impact assessment study reveals that the proposed land belongs to 1140 land owners/possessions belongs to 1061 families. Hence, the Social Impact Assessment study was conducted among the 1061 families in the project area. The names and details of the affected land owners and families are appended in Annexure 04.

It is enumerated total population of 4207 persons from 1061 affected families/institutions in the project area and all of them will be affected directly or indirectly by the land acquisition for the proposed project for Construction of Coastal Highway Pallithura-Onnampalam Reach-3. Table 4.1. shows summary of the project affected families.

The land acquisition will directly affect some schools, training centers, cemeteries in the proposed area and there is no anganwadis, childrens parks, tribal settlements, drinking water sources, foodgrain godowns etc. to be affected directly as part of the land acquisition for the proposed project.

4.2 Land to be Acquired for the Proposed Project

The proposed land acquisition for 10.11 Hactares of land for Construction of Coastal Highway Pallithura-Onnampalam Reach-3 is planned in the geographical area covers 5 revenue villages namely Attipra, Menamkulam, Kadinamkulam Revenue Villages in Thiruvananthapuram Taluk and Sarkara and Anchuthengu Revenue Villages in Chirayinkeezhu Taluk of Thiruvananthapuram district. The area for land acquisition covers Pallithura Ward No. 100 in Thiruvananthapuram Corporation and 29 Gramapanchayath wards of Kadinamkulam, Chirayinkeezhu and Anchuthengu Gramapanchayaths in Chirayinkeezhu Assembly Constituency.

The land acquisition for Construction of Coastal Highway Pallithura-Onnampalam Reach-3 will directly affect private properties of 1140 landowners belongs to 1061 families owned/possessed approximately 10.11 Hectares of land. The proposed land could be acquired by giving adequate compensation as stipulated in the 'Right to fair compensation and transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013'.

4.3 Use of Public Land

The proposed land acquisition of 10.11 Hectare of land which is owned/ possessed by 1140 landowners from 1061 families having different survey numbers. The available 'Purambok' land can also be used for the purpose of construction of coastal highway.

CHAPTER – 5

ESTIMATION AND ENUMERATION

Introduction

This chapter deals with the extent of direct and indirect social impacts of the proposed land acquisition for the project Construction of Coastal Highway Pallithura-Onnampalam Reach-3.

5.1 Directly Affected

The proposed land acquisition for Construction of Coastal Highway Pallithura-Onnampalam Reach-3 will affect the land and properties of 1061 families such as agriculture land, houses and buildings, wells, toilets, gates and boundary walls, and trees.

5.2 Duration of Land Possession

Table 5.1 Duration		
Period	Number	%
1 - 5 Years	412	39
Above 5 Years	649	61
Total	1061	100

Table 5.1 shows that the affected land owners are possessing the land and properties for long period. It shows that 61% of the land owners are possessing the land for morethan 5 years and 39% of the land owners are possessing the land 1-5 years period.

5.3 Land Transfers in the Past

The available data and information show that majority of the land owners are possessing the land for morethan 3 years.

Table 5.2 Ownership	
Ownership	Number
hereditary	714
Purchased	347
Total	1061

Table 5.2 shows that the affected land owners are possessing the land for last many years and out of the 1061 families 714 families are possessed the land hereditary and the remaining 347 families are purchased the land.

5.4 Families Indirectly Impacted by Project

The category of people indirectly affected by the land acquisition for the project Construction of Coastal Highway Pallithura-Onnampalam Reach-3 is mainly the people residing in the adjoining areas of the proposed project and the people are travelling through the project area and the people living in the area and the people owned and rented shops and commercial establishments and the workers and fishermen.

5.5 Inventory of Productive Assets

The proposed project of Construction of Coastal Highway Pallithura-Onnampalam Reach-3 is planned in the geographical area covers 5 revenue villages namely Attipra, Menamkulam, Kadinamkulam Revenue Villages in Thiruvananthapuram Taluk and Sarkara and Anchuthengu Revenue Villages in Chirayinkeezhu Taluk in Thiruvananthapuram district.

The land owners are possessed the land and properties long time before, and doing agriculture and allied activities, shops, business fishing for income generation and for their livelihood. Therefore, adequate compensation stipulated in the 'Right to fair compensation and transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013' need to be provided to acquire the proposed extent of land.

CHAPTER – 6

SOCIO-ECONOMIC AND CULTURAL PROFILE OF THE AFFECTED AREA

All such people are to be affected by the land acquisition and need to be adequately compensated as per the 'Right to fair compensation and transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013'.

CHAPTER – 7

SOCIAL IMPACT MANAGEMENT PLAN

7.1 Approach to mitigation

It is important to carefully analyze and study the social implications of land acquisition for development activities. Social Impact Assessment Study will help to understand the direct and indirect impacts prior to land acquisition and helps to formulate and execute necessary mitigation plans and remedial measures. The suitable approach towards mitigating the impact on land acquisition shall be giving adequate compensation in time to the affected families who loss their land, building and properties and livelihood means. It is also important to consider the emotional attachment that affected families have to the land and property that they have possessed for years.

7.2 Measures to avoid, mitigate and compensate impact

It is estimated that the proposed land acquisition of 10.11 Hectare of land which belongs to different survey numbers in Attipra, Menamkulam, Kadinamkulam Revenue Villages in Thiruvananthapuram Taluk and Sarkara and Anchuthengu Revenue Villages in Chirayinkeezhu Taluk of Thiruvananthapuram district. The land acquisition will affect 1140 people belongs to 1061 families in the aforesaid villages. The land acquisition will affect 114 houses/buildings fully and 197 houses/buildings partially. Such families are to be rehabilitated as part of the land acquisition. The majority of the people residing in the proposed area is earning their income and livelihood through business, self-employment, fisheries, daily coolie works and employment in public and private sectors. Hence, the impact can be avoided, mitigate and compensate by way of giving adequate compensation as per the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act of 2013 and as per the the GO (MS) No. 448/2017/RD dated 29-12-2017 and GO (MS) No. 50/2023/RD dated 10-03-2023 of Govt. of Kerala.

7.3 Measures that are included in the terms of Rehabilitation and Resettlement and Compensation as outlined in the Act

The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act of 2013 is stipulate rehabilitation and resettlement of the people who evict from their land and dwelling places. The Govt. of Kerala has formulated and declared state policy on rehabilitation and resettlement as per the GO (MS) No. 448/2017/RD dated 29-12-2017 for ensuring better compensation for the affected families. Moreover, as per the GO (MS) No. 50/2023/RD dated 10-03-2023 of Govt. of Kerala offered package for the evictees as part of the

land acquisition for Coastal Highway. All the evictees who lost land, houses/buildings and properties are eligible for obtaining compensation under sections No. 26 to 30 of the The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act of 2013. CHAPTER – 11

ANALYSIS OF COSTS AND BENEFITS AND RECOMMENDATIONS ON ACQUISITION

Introduction

The coastal highway length in the state is nearly 629 Km, out of which in nearly 420 Km length stretch needs to be acquired on an average width of 5 to 8 meters to make the existing road to Coastal Highway standards. The proposed project for construction of coastal highway from Pallithura to Onnampalam Reach-3 is part of the integrated development of coastal highway in the State and falls under the definition of “**Public Purpose**” under the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013. The Social Impact Assessment study reveals that the individuals and families who are possessed the land, houses, buildings and properties for morethan three years will primarily affect by the land acquisition. Hence, adequate compensation for the land and assets needs to be provided as per the RTFCTLARR Act 30 of 2013 and subsequent Rules and Government Orders to minimize the social impact of the affected individuals and families.

11.1 Final Analysis and Conclusions

The proposed land acquisition for Construction of Coastal Highway Pallithura-Onnampalam Reach-3 is planned in the geographical area covers 5 revenue villages namely Attipra, Menamkulam, Kadinamkulam Revenue Villages in Thiruvananthapuram Taluk and Sarkara and Anchuthengu Revenue Villages in Chirayinkeezhu Taluk of Thiruvananthapuram district. It is estimated that an extent of 10.11 Hectare of land owned/possessed by 1140 people from 1061 families will be affected by the land acquisition.

The The area for land acquisition comes under Pallithura Ward No.100 in Thiruvananthapuram Corporation and Kadinamkulam, Chirayinkeezhu and Anchuthengu Gramapanchayaths in Chirayinkeezhu Assembly constituency. Following chart illustrates the summary of affected people and families

Table 11.1 Summary of the Affected Area and Families

Boundary walls, Gates	512
Number of affected trees	1,826

Note: Above consolidated information has prepared based on the data provided by the affected people and needs to verified and confirmed with necessary documents at the time of final land acquisition.

The proposed land acquisition starts from stone number R-1 laid in the right-side compound of Pallithura Higher Secondary School in Kazhakkootam-VSSC Road and in the opposite side L-1 stone laid in left side of beach road. The alignment marking ends in the Varkala road at Onnampalam after Anchuthengu and laid L-549 and R-610 stones. The land acquisition of 10.11 Hectare of land for the proposed project will directly affect 1140 land owners belongs to 1061 families. Moreover, the land acquisition will directly or indirectly affect people who owned/running the shops and people working in the shops and commercial establishments.

The proposed project envisages to enhance the transportation facilities and avoid the traffic congestion and ease the transportation by improvement of the existing coastal road. It will cater the need of ever-growing transportation in this route and reduce running time between cities. It is planned to improve the existing coastal road by acquiring land 5-to-8-meter width for ensuring coastal highway standards in the existing road. The coastal highway in the state having an approximate length of 629 Km.

Land acquisition for Construction of Coastal Highway Pallithura-Onnampalam Reach-3 comes under the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 and subsequent Rules and Government Orders. Hence adequate compensation as per the Act and Rules are to be provided to the affected individuals and families.

So that the land acquisition could possible without any hindrance or resistance from the affected individuals and families.

11.2 Suggestions of Affected Individuals/Families:

The suggestions of affected individuals/families are summarized as follows:

- 1) Land Acquisition:** - The affected individuals and families who are giving up the land and properties which they are possessed by way of title deed, possession and encroachment and utilizing the same for a long period. Hence the concerned officials are to ensure adequate compensation package without any delay at the time of land acquisition.
- 2) Loss of Assets and Constructions:** - It is assessed that the acquisition will affect land, houses, buildings and properties, shops and commercial establishments as mentioned in the Table 11.1 and adequate compensation need to be provided as stipulated in the 'Right to fair compensation and transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013'. Moreover, the affected families who lose their houses and livelihood means are belongs to low-income group hence adequate compensation for rehabilitation and resettlement with a human face is essential. Furthermore, necessary permissions and relaxations of building rules for reconstruct houses and buildings after demolition of existing structures are required.
- 3) Loss of Livelihood:** - The land proposed for acquisition is primarily used for the purpose of agriculture and allied activities, shops and business and fisheries etc. Adequate compensation to be ensured for the affected people who loss their employment and income sources by the land acquisition. It is also needed to provide adequate compensation package for rehabilitation and resettlement for those who loss employment and income for a short period while demolishing the construction.
- 4) Loss of Agriculture Crops:** - It is assessed that 1826 different types of trees/ crops will be lost as part of the land acquisition and need to be adequately compensated along with the compensation for land and assets.
- 5) Updation of Land Records and Titles:** - It is found that some of the affected people are not updated their land records and titles as some of the owners are deceased and not transferred the land right to their heirs. So, people are asking necessary time to update their documents. Moreover, there are people who possessing the land by way of possession and encroachment and all such cases are to be considered and verified at the time of final declaration of award for land acquisition.

- 6) **Requirement of ancillary facilities:** It is proposed to construct foot paths, bus bay, facilities for vehicle parking, proper drainage systems to ensure coastal highway standards.

11.3 Final Recommendations

The Social Impact Assessment study on the proposed project of Construction of Coastal Highway Pallithura-Onnampalam Reach-3 assesses that the proposed extent of land for acquisition is appropriate and bare minimum requirement for the execution of the proposed project which is part of the integrated coastal highway development in the State. It is also assessed that the benefits out of the proposed project is more comparing with the cost for land acquisition and development. Execution of the proposed project will also improve transportation facilities in the State and to improve necessary infrastructures and tourism promotion as well as economical development. Affected people are concerned about the alignment designed for land acquisition and whether they will receive adequate compensation in time. People are worried that they will be displaced from their current living conditions where they are emotionally attached to the society. Such concerns led to their non-cooperation and protest against land acquisition. It is anticipated that all such concerns and apprehensions of the people can be overcome through future interventions and information sharing with the affected families. For this, it is recommended that the concerned officials for land acquisition and requiring body shall discuss with the concerned Gramapanchayath Board and convince them about the importance of the project which in turn ensure people's cooperation and participation. The proposed land acquisition is essential to achieve the said objectives of the project and it is expected that the landowners will be willing to give up their land and assets for this important development purpose if adequate compensation is provided for the land, properties and assets. Therefore, it is recommended that the process of land acquisition shall be continued as per the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 and subsequent regulations and government orders.

GOVERNMENT OF KERALA

Abstract

Revenue Department - Special Rehabilitation and Resettlement Package offered to the evictees as part of acquisition of land for Coastal Highway - Approved - Orders issued

REVENUE (B) DEPARTMENT

G.O.(Ms)No.50/2023/RD Dated,Thiruvananthapuram, 10-03-2023

- Read
1. Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013
 2. G.O.(Ms)No. 448/2017/RD dated 29/12/2017
 3. E-mail message dated 23/11/2022 from the Additional Chief Executive Officer, Kerala Infrastructure Investment Fund Board (KIIFB) dated 23/11/2022
 4. Minutes of the meeting convened by Chief Principal Secretary to Hon'ble Chief Minister on 04/02/2023

ORDER

As per GO read 2nd paper above, a comprehensive Rehabilitation and Resettlement Policy for land acquisition in lieu of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 has been introduced in the State.

2. The length of Coastal Highway is nearly 629 km, out of which in nearly 420 km length stretch, land needs to be acquired on an average width of 5 to 8 meters to make the existing road to Coastal Highway standards. The majority of houses affected due the acquisition for Coastal Highway is owned by the low-income group and the density of the houses in majority of the coastal belt is more than the mainland. This necessitates the requirement of a special rehabilitation and resettlement package.

3. The Additional Chief Executive Officer, Kerala Infrastructure Investment Fund Board (KIIFB) in the email message read as 3rd paper above has forwarded the proposal for providing special rehabilitation package in respect of the Coastal Highway Project in consultation with Kerala Road Fund Board (KRFB).

4. The meeting convened convened by Chief Principal Secretary to Hon'ble Chief Minister on 04/02/2023 has discussed the various packages proposed by KIIFB in respect of the Coastal Highway Project. The following suggestion were offered as part of providing special rehabilitation package to the evictees with regard to the acquisition of land for Coastal Highway.

Category 1 - With Deed Documents

A) Compensation for structures
Total structure value may be taken as Actual value (i.e Replacement value minus Depreciation amount) and solatium shall be applied to the actual value.
Additional compensation equal to the depreciation amount may also be given along with the actual value.
Compensation = Actual Value as per PWD Rules (i.e Replacement value - Depreciation amount) + Solatium on Actual Value + Depreciation Amount.
B) Compensation of Land
In order to have fairness in the compensation amount, Section 108 of Land Acquisition Act 2013 - Option to affected families to avail better compensation and rehabilitation and resettlement - shall be followed.
Wherein the affected families can have a negotiation with the District Collector (DC) and DC can fix a fair compensation which may be considered by the State Level Empowered Committee (SLEC) headed by Chief Secretary.
C) Rehabilitation and Resettlement
All provisions of the act shall be fulfilled. Either the affected families can opt for 600 Sq.Ft flat or can avail the one time settlement of 13 Lakhs(which includes the 3 Lakh as per the GO (Ms)No. 448/2017 and Lump sum of Rs.10 Lakh included in LA package.

Category 2 - Without Deed Document

A) Compensation for structures
Replacement value shall be provided to the structures without any depreciation
B) Rehabilitation and Resettlement
All provisions of the act shall be fulfilled. Either the affected families can opt for 600 Sq.Ft flat or can avail the one time settlement of 13 Lakhs(which includes the 3 Lakh as per the GO (Ms)No. 448/2017 and LS of Rs.10 Lakh included in LA package

4. Government have examined the matter in detail and are pleased to approve the Special Rehabilitation and Resettlement Package as appended to this order by invoking the powers conferred in section 108 of the LARR Act, 2013 and give more compensation to the affected parties with regard to the acquisition of land for Coastal Highway. All statutory benefits as provided in Schedule 1 of the LARR Act, 2013 and the State Rehabilitation Policy issued as per G.O(Ms) No. 448/2017/RD dated 29.12.2017, except in the case of land value, structural valuation and Provision of housing units in case of displacement shall be applicable to the affected parties.
