Social Impact Assessment Report

Name of the Project		:	Patch Doubling of track between Shornur Junction to Vallathol Nagar
State		:	Kerala
District		:	Thrissur
Taluk		:	Thalappilli
Revenue Villages		:	Nedumpura and Cheruthuruthy
Local Self-Government Vallathol Nagar Gramapanchayath	Wards	:	1) Cheruthuruthy Town Ward (04) 2) Mecheri Ward (05) 3) Nampullyparambu Ward (11) 4) Irattakulam Ward (12) 5) Cheyikkal Ward (14)
Extend of Land to be Acquired (Hectares)		:	3.7050
Number of Affected Parties		:	188
Number of Survey Numbers as per 4(1)		:	118
Requisition Authority		:	Deputy Chief Engineer (Constructions) Southern Railway Ernakulam
Land Acquisition Officer		:	Special Tahsildhar (LA) General, Thrissur
Social Impact Assessment Unit		:	Planet Kerala Thiruvananthapuram
Number & Date of 4(1) Gazette Notification		:	Vol 14 No 3458 Date 27 September 2025
Date of SIA Study Started		:	20 October 2025
Date of Draft Report Published		:	29 November 2025
Date of Public Hearing		:	03 January 2026
Date of SIA Study Completion		:	04 January 2026
Date of SIA Final Report Submission		:	06 January 2026

EXECUTIVE SUMMARY

The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act of 2013 stipulated to conduct Social Impact Assessment Study and prepare social impact assessment report and social impact management plan in accordance with the Act prior to every land acquisition.

Accordingly, Planet Kerala is empanelled as one of the Social Impact Assessment Units (SIA) at the State Level as per the Order Number GO (Ms) No.94/2023/RD dated 30-04-2023 of Additional Chief Secretary to Government of Kerala. As an empanelled SIA Unit, Planet Kerala has been entrusted to conduct Social Impact Assessment Study of the proposed land acquisition of Patch Doubling of track between Shornur Junction to Vallathol Nagar in Thrissur District as per the 4(1) notification No. 3458 in volume No. 14 of extra ordinary Gazette of Government of Kerala on 27 September 2025.

Planet Kerala has conducted social impact assessment study in the proposed area in accordance with the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act of 2013 based on the above said orders from the Appropriate Government. Social Impact Assessment Team of Planet Kerala has made good efforts to collect primary and secondary data and information from the stakeholders and compiled the available data for analysis and preparing the draft as well as the final report. The draft report was published on 29 November 2025 for wider discussions and conducted Public Hearing on 03 January 2026 as stipulated in the Act 30 of 2013. The Public Hearing was helped people to aware on the land acquisition process and procedures. It was also enabled to made necessary additions and omissions to the final report. All the suggestions made by the people in the Public Hearing was incorporated in the final report.

We are grateful to the Presidnet and elected members of Cheruthuruthy Town Ward (04), Mecheri Ward (05), Nampullyparambu Ward (11), Irattakulam Ward (12), Cheyikkal Ward (14) and officials of Vallathol Nagar Gramapanchayath, and officers from the Revenue, Southern Railway and the people in this project area and specifically to the affected parties who provided necessary data and information to complete the study in time. We express our sincere thanks to one and all who supported to conduct the study and prepare final report and submit to the Appropriate Government.

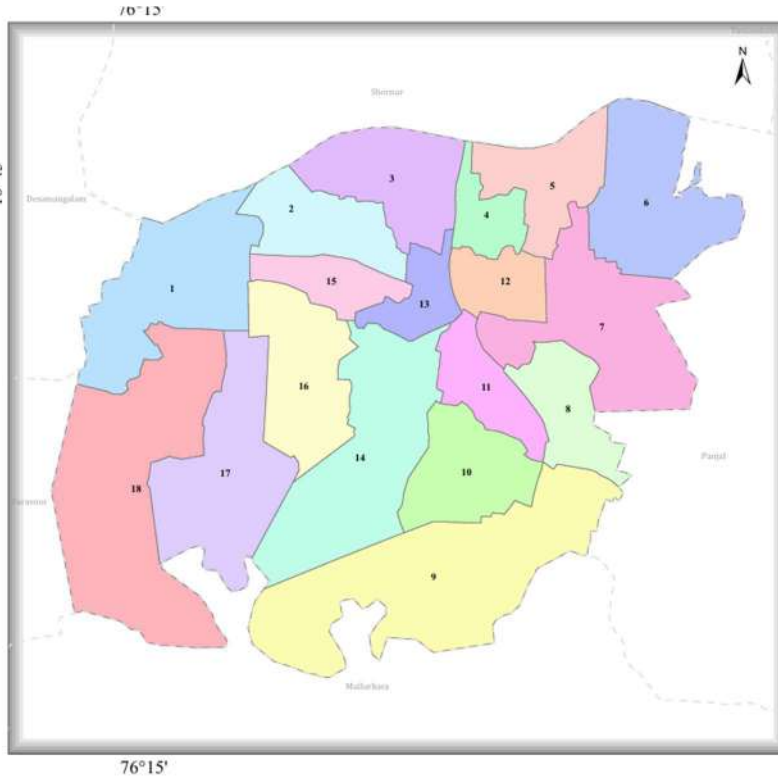

Antony Kunnath

CHAPTER – 1

1.1 Introduction- Project and Public Purpose

The Deputy Chief Engineer, Southern Railway, Ernakulam, is the Requisition Authority for the Land acquisition of Patch Doubling of track between Shornur Junction to Vallathol Nagar. The Special Tahsildhar (LA) General, Thrissur, is designated as the Land Acquisition Officer. As per the 4(1) notifications, it has estimated an approximately 3.7050 hectares of land belonging to various survey numbers in 2 revenue villages of Nedumpura and Cheruthuruthy, in Thalappilli taluk in Thrissur district, will have to be acquired for the proposed project.

The proposed land acquisition for Patch Doubling of track between Shornur Junction to Vallathol Nagar comes under the jurisdiction of 5 local self-government wards namely Cheruthuruthy Town Ward (04), Mecheri Ward (05), Nampullyparambu Ward (11), Irattakulam Ward (12), Cheyikkal Ward (14) of Vallathol Nagar Gramapanchayath spread over Chelakkara Assembly Constituency. An approximate extent of 3.7050 hectares of land in various survey numbers in Nedumpura and Cheruthuruthy revenue villages is required for the proposed patch doubling parallel to the existing railway track. The proposed land acquisition will directly affect altogether 188 land/people including 18 numbers of roads, government/railway 'purambok' properties.

The sanction was accorded for the said project of Patch Doubling of track between Shornur Junction to Vallathol Nagar as per the Letter No. 2023/W-1/DL/SR/SV (e-file No. 3421158) dated 23-02-2024 from the Railway Board. Thereafter, Special Tehsildar (LA) General, Thrissur was appointed as the Land Acquisition Officer to perform the duties of the appropriate government through the proceedings of District Collector, Thrissur and then land acquisition process has been initiated. As stipulated in the 'Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013, the appropriate government has taken necessary steps to appoint Social Impact Assessment Unit, and Planet Kerala has been assigned to conduct the social impact assessment study in the proposed area.

The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 stipulates that social impact assessment should be conducted and prepare report prior to the land acquisition. Planet Kerala has empaneled State Level SIA Unit as per the Order Number GO (Ms) No.94/2023/RD dated 30-04-2023 of Additional Chief Secretary. Based on the foresaid government orders Planet Kerala has been entrusted with the responsibility to conduct the Social Impact Assessment Study of the project of Patch Doubling of track between Shornur Junction to Vallathol Nagar. The notification for the same was published in an extra ordinary Gazette of Government of Kerala on 27 September 2025 with reference number 3458 of Volume 14. Accordingly, Planet Kerala has started Social Impact Assessment in the proposed project area.

1.2 Project Location

The proposed land acquisition comes under the geographical area of Chelakkara Assembly Constituency in Thrissur District and 5 local self government wards namely Cheruthuruthy Town Ward (04), Mecheri Ward (05), Nampullyparambu Ward (11), Irattakulam Ward (12), Cheyikkal Ward (14) of Vallathol Nagar Gramapanchayath. The proposed 3.7050 hectares of land acquisition comes under various survey numbers in Nedumpura and Cheruthuruthy, revenue villages in Thalappilli Taluk in Thrissur District.

1.3 Size and Attributes of Land Acquisition

The 4(1) Notification of the land acquisition for Patch Doubling of track between Shornur Junction to Vallathol Nagar notified an approximate extent of 3.7050 hectares of land belongs to block numbers 43 and 44 of Nedumpura and Cheruthuruthy revenue villages.

Following table shows the the survey number of affected parties.

Table -1			
District: Thrissur Taluk: Thalappilli Village: Nedumpura, Cheruthuruthy			
Sl. No	Village	Survey Number	Extent (Hectares)
1	Nedumpura	167, 168, 170, 171, 231, 232, 233, 234, 242, 243, 244, 245, 246, 1010, 1027	0.0300
2	Cheruthuruthy	181, 245, 339, 340, 341, 342, 343, 411, 412, 413, 414, 415, 416, 417, 424, 434, 435, 436, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 481, 482, 483, 484, 494, 495, 496, 499, 501, 502, 503, 504, 508, 509, 513, 517, 518, 739, 740, 746, 747, 748, 749, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794	3.6750
		Total (Hectares)	3.7050

But the field verification and SIA study revealed that the proposed approximate extent of 3.7050 Hectare of land and properties in block numbers 43 and 44 of Nedumpura and Cheruthuruthy revenue villages are possessed by 188 individuals/ families that includes 18

numbers of roads, government/railway 'purambok' properties. The Social Impact Assessment study has been conducted by including such properties at the filed.

1.4 Alternatives Considered

The proposed project is planned to double the railway line between Shornur Junction and Vallathol Nagar railway stations in Nedumpura and Cheruthuruthy villages in Thalappilli taluk of Thrissur district.

The proposed Shoranur-Vallathol Nagar railway line doubling project involves adding a third and possibly fourth railway line to reduce congestion on the single-track section between Shoranur Junction and Vallathol Nagar. The Revenue Department has granted permission to acquire approximately 3.7050 hectares of land for the proposed project. The proposed project is being planned and implemented with the objectives of increasing train speeds, improving punctuality, and reducing congestion affecting passengers in this route. The Construction Division of Southern Railway has been entrusted with the implementation of the project. The construction of the third and fourth tracks between Shornur Junction and Vallathol Nagar on the Ernakulam-Shornur corridor, one of the busiest railway routes in the state, will be useful in increasing the capacity of this route, improving the smooth movement and speed of trains, and reducing traffic congestion. The land acquisition for the proposed project for patch doubling between Shornur Junction-Vallathol Nagar railway stations is planned to resolve the traffic congestion and increased travel time faced by those traveling on this route.

Since the proposed development works are to eliminate travel disruptions by doubling the track adjacent to the existing railway line and provide better and safer travel facilities, and it is observed that the proposed land is most suitable and near to the existing railway line, and necessary steps has been taken to utilize the available government/railway land for the project. The land acquisition will cause losses of land, building, constructions, shops and business, employment and livelihoods of private land owners. However, the land acquisition for the proposed project is important as part of the infrastructure development of the Southern Railway. Public opinion and a social impact assessment study have revealed that the proposed project is the most suitable for improving railway transportation facilities in the state.

It is expected that the private landowners are willing to provide their land and properties for the proposed Shoranur-Vallathol Nagar railway line doubling project, if they are provided with fair and adequate compensation, rehabilitation and resettlement assistance in accordance with the Right to fair compensation and transparency in land acquisition, rehabilitation and resettlement Act 2013. Therefore, considering all the above facts, and public opinion, no alternative options need to be considered in connection with the proposed land acquisition.

1.5 Social Impacts and Mitigation Measures

Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 2013 stipulated to conduct Social Impact Assessment Study prior to land acquisition. The study will assess different aspects of the social impact of land acquisition affected to the people who are giving up their land and assets. The study will bring forth necessary suggestions and mitigation strategies and actions to be undertaken to reduce the impact on land acquisition. The summary of the impacts is as follows:

1.6 Assessment of Social Impact at different Phases of Project

No	Phases	Social Impact
1	Prior to Construction	<ul style="list-style-type: none"> ◆ Land survey and acquisition based on the proposed alignment and providing compensation. ◆ Fixation of value and provide compensation for structures and assets and demolition of the same ◆ Loss of agriculture crops ◆ Loss of business and livelihood ◆ Safety and security of the people residing in and around the proposed project area ◆ Avail adequate compensation for the land and structures
2	During Construction	<ul style="list-style-type: none"> ◆ Employment opportunities during the construction period ◆ Local people suspect that the employment opportunities of the local people will reduce if the outside employees will come and work on the constructions. Also concerned about health issues such as waste dumping, epidemic diseases and so on. ◆ Concerns about health issues such as dust, wastes and pollutions while demolishing the structures or during construction period ◆ Damage that may occur to the remaining structures during partial demolition of structures ◆ Safety and security of the travelers, people residing in and around the project area and workers ◆ Concern about the traffic bann during construction period ◆ Interruption of power and water supply when rearranging electric posts, pipelines and transformers

No	Phases	Social Impact
3	Post Construction	<ul style="list-style-type: none"> ◆ Improvements in rail transport facilities are leading to smoother and faster movement of trains. ◆ Improved Railway infrastructure and transportation facilities. ◆ Improved infrastructure facilities in the State ◆ Improved income and better living standards

Assessment of Social Impact and Mitigation Measures

Sl. No	Type of Impact	Present Status	Mitigation Measures
1	Loss of land	Land acquisition will directly affect land and properties of 170 private land owners and 18 numbers of Govt/railway/ 'purambok' and roads	Compensation as stipulated in the 'Right to Fair Compensation and Transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013'
2	Loss of land and constructions	Land acquisition will affect 73 houses fully, 13 houses partially, 9 shops/buildings fully, 20 carsheds, 69 boundray walls, 50 wells, 58 septic tanks, 26 concrete floors	Compensation as stipulated in the 'Right to Fair Compensation and Transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013'
3	Loss of productive assets	Land acquisition will affect trees of different varieties in 138 homestead plots.	Compensation as stipulated in the 'Right to Fair Compensation and Transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013'
4	Loss of livelihood	Land acquisition will affect 9 shops, business, enterprises and other livelihood means	Compensation as stipulated in the 'Right to Fair Compensation and Transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013'

Sl. No	Type of Impact	Present Status	Mitigation Measures
5	Loss of public utility	Not directly affected	No remedial measures required
6	Loss of public properties	Loss of electric posts, drinking water pipes etc.	Remedial measures are required
7	Loss of public services and utilities	Not directly affected	No remedial measures required
8	Loss of social and cultural centers	Not directly affected	No remedial measures required
9	Displacement of weaker sections	Rehabilitation measures are required as land acquisition will affect 73 houses fully, 13 houses partially, 9 shops/buildings fully	Compensation as stipulated in the 'Right to Fair Compensation and Transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013'
10	Loss of religious/ worship places and assets	Not directly affected	No remedial measures required

Note: The above conclusion is arrived as per the information given by the respondents. The supporting documents needed to be verified.

Measures to Avoid, Mitigate and Compensate Social Impact

- ❖ All process related to land acquisition should be taken in accordance with the Right to Fair Compensation, Transparency, Rehabilitation and Resettlement Act of 2013 and the Rules made by the State Government in 2015, and the subsequent orders issued by the Government from time to time.
- ❖ Adequate compensation should be given to the affected families, land owners, tenants and employees while acquiring the land and properties.
- ❖ Proper guidance and directions are to be given to the affected families by the concerned officers regarding the proposed alignment and the compensation packages. It is also necessary to the concerned officials to resolve the grievances, doubts and concerns of the affected parties in time.

- ❖ Adequate compensation, rehabilitation and resettlement measures shall be given to the shop owners, tenant and employees who loss their land, properties, employment and livelihood mean due to the land acquisition.
- ❖ Adequate compensation should be given to the affected families for the houses, buildings and constructions, shops, boundary walls, gate, trees, wells etc.
- ❖ Different approaches will have to be taken since the land to be acquired possessed by private land owners, government/railway land, and ‘purambok’ land. Possible compensation will have to be given to those living in ‘purambok’ land.
- ❖ It is desirable to acquire land and properties located adjacent to the proposed alignment to ensure Railways safety, avoid future encroachments, and conveniently carry out future maintenance works of Railways. It will also enable the landowners to carry out construction, agricultural activities, and reside in the areas by abiding by the buffer zone norms of Railways.
- ❖ There is a possibility of damage to houses and buildings adjacent to the railway line when the railway track is doubled and made operational. Hence, it is advisable to acquire such land, houses and buildings to ensure safety of both Railways and residents.
- ❖ The majority of the land owners are own very limited land and live on it. In cases where a small portion of land remains after land acquisition, fragmented or unusable land, the land should be acquired in full and compensation should be paid.
- ❖ Affected people are concerned about the land acquisition as they have no official information and whether the appropriate government is desirous to undertake their land for the proposed project and provide adequate compensation.
- ❖ If there is a situation of workers from outside permanently reside in the area during the period of land acquisition as well as constructions, the concerned authorities and organizations had to pay special attention to address and resolve the issues related to health, sanitation and waste management.
- ❖ Necessary Precautions should be taken by the concerned authorities for the safety of the public, travelers and workers during the period of land acquisition and constructions.

CHAPTER – 2

DETAILED PROJECT DESCRIPTION

2.1 Background of the Project

Thrissur is a district located in the central region of the state of Kerala. This district, with an area of 3032 square kilometers, was formed in 1949. According to the 2011 census, the population of this district is 31,10,327. For administrative convenience, the district is divided into seven taluks namely Thalappilli, Kunnankulam, Chavakkad, Thrissur, Kodungallur, Mukundapuram, and Chalakudy. Thrissur district has Thrissur Corporation, 7 municipalities, 16 block panchayats and 86 Gramapanchayats.

The 4(1) notification states that approximately 3.7050 hectares of land falling under different survey numbers in Nedumpura and Cheruthuruthy revenue villages of Thalappilli taluk in Thrissur district will have to be acquired for the Patch Doubling of track between Shornur Junction to Vallathol Nagar. The proposed project is being planned and implemented in the area covered by the above survey numbers. The proposed project is being implemented in the area covered by the wards of Cheruthuruthy Town Ward (04), Mecheri Ward (05), Nampullyparambu Ward (11), Irattakulam Ward (12), Cheyikkal Ward (14) of Vallathol Nagar Grama Panchayat in Thrissur district. The population data of Vallathol Nagar Grama Panchayat as per the 2011 census is given below:

Table – 2.1 Population Details – Vallathol Nagar Gramapanchayath							
No	Local Body	Extent (Sq. Km)	No. of Wards	No. of Houses	Population (Male)	Population (Female)	Population (Total)
1	Vallathol Nagar	19.87	16	5,609	12,466	13,667	26,133
	Total	19.87	16	5,609	12,466	13,667	26,133

Table 2.1 shows that demographic details of 16 local self government wards. (At present 18 wards in 2025)

The proposed land acquisition process has been initiated to double the railway track between Shornur Junction and Vallathol Nagar railway stations by acquiring land adjacent to the existing railway line and adding a third and possibly fourth railway line to decongest the single-track section between Shornur Junction and Vallathol Nagar with improved facilities.

2.2 Rationale of the Project

The land acquisition for Patch Doubling of track between Shornur Junction to Vallathol Nagar has been started based on the sanction obtained from the Railway Board Letter No. 2023/W-1/DL/SR/SV (e-file No 3421158) dated 23-02-2024.

- The Land Acquisition Act of 1894 was amended by the Central Government in 2013 and the same was replaced by the ‘Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013, which came into existence on 1st January 2014. Subsequently, subjected to the provisions of the Act, the State Govt. of Kerala has formulated and published the Rules on 23rd September 2015. The process of Land acquisition for Patch Doubling of track between Shornur Junction to Vallathol Nagar has been started based on the said Act and Rules.
- The Special Tahsildhar (LA) General, Thrissur, has designated as the land acquisition officer by the District Collector to perform the duties of the appropriate government as per the Government Order No DCTSR/4744/2024-E4 dated 01-09-2024.
- Govt. of Kerala has assigned Planet Kerala to conduct a Social Impact Assessment Study and prepare Social Impact Management Plan on the proposed project as per the 4(1) Notification No. 3458 dated 27 September 2025 in the Extraordinary Gazette Volume 14 of the appropriate government.
- The Social Impact Assessment Study for Patch Doubling of track between Shornur Junction to Vallathol Nagar has been conducted on an area of approximately 3.7050 hectares of land in different survey numbers of Nedumpura and Cheruthuruthy revenue villages in Thalappilli taluk of Thrissur district and is determined as per the alignment sketch provided by the Railway authority.
- The proposed land acquisition of 3.7050 Hectare of land which belongs to various survey numbers in Nedumpura and Cheruthuruthy revenue villages. The land acquisition will directly affect 188 families/land and building owners/tenants including 18 numbers of roads, government/railway ‘purambok’ properties.
- The Deputy Chief Engineer (Construction), Southern Railway, Ernakulam is the Requisition Authority and the Special Tahsildhar (LA) General, Thrissur is designated as the Land Acquisition Officer.
- The Govt of Kerala has enacted Rules and published State policies on 23rd September 2015 as stipulated in the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013. Accordingly, the

Government of Kerala has decided to initiate a Social Impact Assessment study prior to land acquisition to ensure transparency and fair compensation in land acquisition.

- The following benefits are expected from the project implementation of Patch Doubling of track between Shornur Junction to Vallathol Nagar:
 - ★ A third and possibly fourth railway line could be added to reduce traffic congestions in the single-track section between Shornur Junction and Vallathol Nagar.
 - ★ To increase the speed of trains, improve punctuality, and reduce traffic congestion affecting the passengers.
 - ★ The construction of the third and fourth tracks on the Ernakulam-Shornur corridor, one of the busiest railway routes in the state, will help increase the capacity of this route, improve the smooth movement and speed of trains, and reduce traffic congestion.
 - ★ Improving rail transport and infrastructure development in the state, thereby enabling the development and progress of social and economic sectors.

2.3 Examination of Alternatives

The land acquisition for the development project of patch doubling the railway line between Shornur Junction and Vallathol Nagar railway stations is in the area falling under the Chelakkara Assembly Constituency and falling under the wards of Cheruthuruthy Town (4), Mecheri (5), Nampulliparamba (11), Ittakulam (12) and Cheikkal (14) of Vallathol Nagar Grama Panchayat.

The Revenue Department has initiated the process of land acquisition of 3.7050 hectares of land for doubling the railway track between Shornur Junction and Vallathol Nagar railway stations in order to increase the capacity of the line, improve the smooth movement and speed of trains, and reduce congestion by constructing the third and fourth tracks on the Ernakulam-Shornur corridor, one of the busiest railway lines in the state. Southern Railway is planned and implementing proposed development activities under Indian Railways' Mission 3000 MT to ensure smooth travel on the railways by implementing timely development works.

The proposed Shoranur-Vallathol Nagar railway line doubling project is being implemented to add a third and possibly fourth railway line to reduce congestion on the single-track section between Shoranur Junction and Vallathol Nagar. Proposed land acquisition is essential to create infrastructure facilities to ensure better travel facilities for rail travelers. It is essential to

develop the tracks on the Ernakulam-Shornur corridor, one of the busiest railway routes in the state, in a timely manner. The proposed project patch doubling the railway line between the proposed Shornur Junction-Vallathol Nagar railway stations is planned and land acquisition processes have been initiated to resolve the problems currently faced by those traveling along this route.

Since the development works are aimed at eliminating travel disruptions and providing smooth and safe travel facilities by adding a third and possibly fourth railway line adjacent to the existing railway line, and the most suitable land is located near the existing railway line, and the available government/railway land in the project area is planned to utilize to the maximum extent, and the private landowners are willing to give up their land for the proposed project if adequate compensation is provided. Therefore, no alternative options need to be considered in relation to the proposed land acquisition.

2.4 Phases of Construction

Once the land acquisition process is completed by the Revenue Department, the acquired land can be handed over to the Southern Railway, Ernakulam and Patch Doubling of track between Shornur Junction to Vallathol Nagar may carry out.

2.5 Core Design Features

The proposed land acquisition for Patch Doubling of track between Shornur Junction to Vallathol Nagar required an area of 3.7050 Hectare of land. The proposed project patch doubling the existing railway track between Shornur Junction-Vallathol Nagar railway stations involves the acquisition of land owned by private individuals/families adjacent to the existing railway line. The Southern Railways plans and implements works to increase the efficiency of railway lines through the proposed project.

2.6 Need for Ancillary Infrastructural Facilities

The proposed land acquisition process has begun for the project to double the railway track between Shornur Junction and Vallathol Nagar railway stations. It is necessary to effectively rearrange services/facilities such as electric lines, drinking water pipes, pedestrian paths, etc. along with providing better transportation facilities.

2.7 Workforce Requirements

Sufficient man power with different skills are required for the effective completion of the proposed project within the stipulated period of time. Modern equipment and experienced engineers are inevitable for managing the construction works. The project is expected to cater employment opportunities for the workforce in and around the area together with the workforce from outside.

2.8 Studies Conducted Earlier

No Social impact Assessment Studies were conducted earlier in relation with the proposed Patch Doubling of track between Shornur Junction to Vallathol Nagar. The present study conducted by Planet Kerala is the first study in this regard.

2.9 Applicable Legislations and Policies

The applicable laws on land acquisition, transparency, rehabilitation and resettlement for the proposed Patch Doubling of track between Shornur Junction to Vallathol Nagar are as follows:

- The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013.
- Rules and State Policy enacted by the Govt of Kerala in 2015 for the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement.
- The policy formulated by the State Government as per G.O (MS) No.485/2015/RD dated 23-09-2015 in accordance with the excess payment of compensation or rehabilitation and resettlement benefits other than those mentioned in the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 and subsequent rules.
- Rehabilitation and Resettlement package of the State Government as per GO (MS) No. 448/2017/RD dated 29-12-2017.
- Right to Information Act, 2005.
- The Rights of Persons with Disabilities Act, 2016.

Right to Information Act, 2005

The Right to Information Act came in to force on 2005 to empower the citizens, promote transparency and accountability in governance, prevent corruption, and make our democracy people-centered in a real sense. It goes without saying that an informed citizen is better equipped to keep necessary vigil on the instruments of governance and make the government more accountable to the governed. The Act is a noble step towards making the citizens informed about the activities of the Government and subsidiary institutions.

The Rights of Persons with Disabilities Act, 2016

The Act 2016 is guided by the philosophy of empowering persons with disabilities. The Act endeavors to introduce an instrument for promoting equality and participation of persons with disability on the one hand, and eliminating discriminations of all kinds, on the other.

CHAPTER - 3

APPROACH AND METHODOLOGY OF THE STUDY

3.1 Background

The proceedings of the Additional Chief Secretary to the Government vide letter number G.O.(Ms) No. 94/2023/RD dated 30-04-2023 has empanelled Planet Kerala as one of the Social Impact Assessment Units (SIA) in the state of Kerala. As per Notification No. 3458 in Extraordinary Gazette Volume 14 dated 27th September 2025, Planet Kerala was entrusted with the task of conducting a Social Impact Assessment Study for the implementation of the Patch Doubling of track between Shornur Junction to Vallathol Nagar in Thrissur District.

The objective of Social Impact Assessment Study (SIA) is to assess the social and economic impact on the said land acquisition based on the losses might be happened to the people as part of the land acquisition. It consists of enumerate the number of affected land holdings and structures, affected people and families, identification of social impacts on land acquisition etc. Both secondary and primary data available from the people concerned and related institutions were systematically collected as part of the study. All these data and information helped to assess the impact and prepare Social Impact Management Plan (SIMP) as per the Act 30 of 2013. A questionnaire was prepared and conducted survey at the field level to gather necessary data and information for preparing the Social Impact Assessment report and also conducted focus group discussions with various stakeholders, and arranged discussions with elected representatives of Vallathol Nagar Gramapanchayath falls under this project area.

3.2 Social Impact Assessment Study and Preparation of Social Impact Management Plan.

The Social Impact Assessment Study and preparation of Social Impact Management Plans are essential when the land acquisition results in either social or economic damage and displacement of the people. The rehabilitation and resettlement plan must be ensured the livelihoods of people affected by the project execution in the same condition as before the land acquisition or in a much better condition. The study team has made necessary preparations to conduct Social Impact Assessment Study as follows:

- (i) Collection of data and information on socio-economic impacts of the project
- (ii) Communication and discussions with concerned officers, representatives of Local Self-Government, project affected people and the general public

(iii) To read and understand the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013

(iv) Sharing of responsibilities among the team members

POST SIA STUDY	Data analysis and SIA report <ul style="list-style-type: none"> ★ Data consolidation and analysis ★ Preparation of List- Project Affected Parties ★ Finalization of SIA report template ★ Preparation and publish-SIA Draft Report ★ Public Hearing ★ Preparation and publish-SIA Final Report 	Consultation on SIA report <ul style="list-style-type: none"> ★ Organize Public Hearing ★ Presentation of SIA Draft Report ★ Document concerns/ complaints of Project Affected Parties & Report ★ Submission of SIA Final Report

Figure 3.1 Presents approach and methodology of SIA study and various steps involved in the study. Detail as follows

- ⊙ Collection of secondary data from different sources
- ⊙ Review and study of relevant information, documents and reports

- ⊙ Project area visits and interaction with people’s representatives, project affected people and the general public
- ⊙ Enumeration and data collection of properties, project affected individuals and families
- ⊙ Analysis of socio-economic statistics
- ⊙ Consultation and interaction with the affected people in the project area
- ⊙ Consultation and interaction with the general public in the project area
- ⊙ Preparation and publish draft report of the Social Impact Assessment Study
- ⊙ Public hearing as stipulated in the Act 30 of 2013
- ⊙ Preparation of final report and submission along with supporting documents

3.3 Desk Research

The study team examined and analyzed the required documents related to the Land Acquisition Act 30 of 2013 and subsequent orders. The team also studied other study reports related to the social impact assessment study.

3.4 Composition of Social Impact Assessment Team

The Social impact assessment study team is headed by Mr. Antony Kunnath, the Chairman of SIA Unit and the Executive Director of Planet Kerala. A team of nine members having experience in conducting socio-economic surveys and such other studies were assigned for field level data collection, monitoring and co-ordination of the entire study process. The service of experts from development sector was also utilized for analyzing and preparing final report of the Social Impact Assessment. The study process was completed within the stipulated period of time without any interruption and obtained guidance and services from the officials of the departments of Revenue and Southern Railways, Ernakulam as and when required. The names of the team members involved in the study are mentioned below:

Table 3.1 Social Impact Assessment Study Team			
SI No	Name	Designation and Education	Experience
1	Antony Kunnath	Executive Director of Planet Kerala and Chairman of SIA Unit Post Graduation in Political Science and Sociology, International Diploma in Community Development	28 Years of experience in Social Development

Table 3.1 Social Impact Assessment Study Team			
SI No	Name	Designation and Education	Experience
2	Sreedevi J S	Team Member of SIA Unit Degree	2 Years of experience in Social Development
3	Sujitha Rose JR	Team Member of SIA Unit Degree	1 Year of experience in Social Development
4	Helendas AY	Team Member of SIA Unit Degree	1 Year of experience in Social Development
5	Bini Jayan	Team Member of SIA Unit Degree	1 Year of experience in Social Development
6	Remya KR	Team Member of SIA Unit Post Graduation	1 Year of experience in Social Development
7	Archana R	Team Member of SIA Unit Post Graduation	1 Year of experience in Social Development
8	Mallika M	Team Member of SIA Unit Degree	1 Year of experience in Social Development
9	Mini PT	Team Member of SIA Unit Degree	1 Year of experience in Social Development

3.5 Data Collection from Secondary Sources

Secondary data were collected from different sources related to the proposed social impact assessment study. Simultaneously primary data were collected from the project affected people, families and other stakeholders through the field level survey and consolidated all such data and information for preparing the final report. Both available primary and secondary data and information provided indication of social, economic, and cultural conditions of the affected area.

3.6 Site visits and Information Dissemination

Field visits and discussions with people along with pilot study was conducted before starting the detailed socio-economic survey at the proposed project area. Initially data were collected from few people in the pilot study and assessed their responses. Based on the feedbacks from the 'respondents' necessary changes were made in the socio-economic survey questionnaire and collected necessary data from the affected people and families. The schedule of consultations with the key stakeholders are described in the table 3.2

Table 3.2 Schedule of Consultations		
Sl. No	Date	Description
1	31-09-2025	Received letter and information on 4(1) notifications from the Deputy Collector (LA) Thrissur
2	14-10-2025	Secondary data collection from different sources
3	28-10-2025	Field visit of the proposed project
4	04-11-2025	Visit and initial discussions with President/Secretary and ward members of Vallathol Nagar Gramapanchayath.
5	05-11-2025	Visit/ discussions and collection of necessary documents from the LAO, Special Tahsildhar (LA), General, Thrissur.
6	07-11-2025	Nedumpura and Cheruthuruthy Village Office visit
7	08-11-2025	Field visit and discussions with ward members, affected parties and general public in the project areas
8	10-11-2025	Orientation for the field investigators on data collection
9	11-11-2025	Field data collection, focus group discussions with affected parties
10	22-11-2025	Compilation of field data
11	29-11-2025	Publishing of Draft SIA Report
12	27-12-2025	Visit and discussions with Secretary and newly elected President and ward members of Vallathol Nagar Gramapanchayath
13	03-01-2026	Public Hearing 11.30 am
14	04-01-2026	Preparation of Final Report
15	06-01-2026	Submission of Final Report

Based on the identification of the project area and the affected individuals and families, primary data was collected directly from the affected parties during the period of October and November 2025 and the information obtained was compiled during the months of November 2025 and the draft Social Impact Assessment Report was published on 29 November 2025. Thereafter the public hearing was conducted as stipulated in the Right to Fair Compensation

and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 at Kudumbasree Training Hall of Vallathol Nagar Gramapanchayath on 03 January 2026.

3.7 Socio-economic Survey

As part of this assignment, field level survey was conducted to collect available socio-economic status of project affected parties and necessary information like names of affected parties/families/institutions, survey number, thandaper etc. was collected with the help of questionnaire. The methodology adopted for data collection was to visit houses/ shops directly and consultation with stakeholders directly.

The data collection was conducted through door-to-door survey and personal interactions. The survey schedule was prepared in view of collecting social and economic profile of the project affected people and families. The affected families were asked to produce land tax receipt, ration card, or any other document available as proof of ownership. The same was verified by the team member to ensure ownership of a person or the affected party. (Questionnaire attached as Annexure-2)

3.8 Data Compilation and Validation

Duly filled survey sheets were collected, consolidated and entered into a database for further assessment and analysis. This information was updated on a regular basis as and when data for incomplete sheets were filled in. The consolidated data were later shared with the team to validate and cross-checking to avoid errors.

3.9 Data Analysis and Preparation of Report

Data analysis was carried out after the data compilation and validation and reached in to conclusion based on the data and information availed. The compiled data and information were used to prepare the Final Report of Social Impact Assessment.

3.10 Public Hearing and Consultation with General Public

Interviews and discussions were conducted by the SIA team with various primary and secondary stakeholders. These interviews and discussions were facilitated to collect information regarding the positive and negative aspects of land acquisition for the proposed project. It helped to understand the expectations of the potentially affected persons in relation with the compensation. Special attention was given to hear from the women/groups to understand their perspective on the land acquisition and sought suggestions for minimize the social and economic impact and remedies for mitigating such anticipated adverse effects.

In connection with the proposed land acquisition, the public hearing as per the Acts and Rules, 2013 was held on 03 January 2026 at Kudumbasree Training and She Lodge Hall of Vallathol Nagar Gramapanchayath. Information and knowledge gained from the social impact study on the proposed project was shared with the affected persons in the Public Hearing and presented relevant parts of the draft report in the meeting. During the public hearing, information related to land acquisition, alignment, compensation, income restoration, employment generation, information flow, grievance redressal, safety, role of administrator etc. were discussed. SIA team facilitated following methods for conducting public consultation at various stages of the study:

- 1) Informal personal consultation
- 2) Focus Group Discussions (FGD) with different groups of affected people
- 3) In-depth individual interviews
- 4) Discussions and interviews with key informants
- 5) Public Hearing.

Public Hearing: 03 January 2026: The public hearing as per the Act 2013 was held on Saturday 03 January 2026 at 11.30 am at Kudumbasree Training and She Lodge Hall of Vallathol Nagar Gramapanchayath. Mr. Abdul Latheef VK, Vice President of Vallathol Nagar Gramapanchayath was presided over the meeting. Mecheri Ward (05) member Mr. VR Anoop, Nampullyparambu Ward (11) member Ms. Shamna, Cheyikkal Ward (14) member Ms. CH Hafsath and altogether 04 members were represented by the Vallathol Nagar Gramapanchayath. Revenue Department was represented by Special Tahsildhar (LA), General, Thrissur, Ms. Bindu. TG, Valuation Assistant Mr. Sivadasan. PP, Surveyor Ms. Manju. TS, Clerk Mr. Joby. TJ and Special Village Officer, Cheruthuruthy, Ms. Smitha. CD and altogether 05 officers and Southern Railway, Ernakulam was represented by Land Acquisition Associate Mr. KS. Pareeth, Senior Section Engineer (Constructions) Mr. Thomas Jose, Assistant Executive Engineer (Constructions) Mr. NB. Ajith and altogether 03 officers and the Social Impact Assessment Unit, Planet Kerala, was represented by 8 staff including the SIA Unit Chairman Mr. Antony Kunnath and altogether 20 official representatives and 170 project affected parties including land/shops owners, tenants and employees were attended in the Public Hearing. Planet Kerala Team Member Ms. Sreedevi JS welcomed the gathering and SIA Unit Team Member Ms. Sujitha Rose extended vote of thanks and the Public Hearing was ended at 01.30 pm. (Attendance is attached as Annexure-08,09)

The Chairman of the Social Impact Assessment Unit, Mr. Antony Kunnath, presented the relevant parts of the Draft Report of Social Impact Assessment Study. The Special Tehsildar (LA) General, Thrissur Ms. Bindu. TG explained the procedures of the land acquisition as per the Right to Fair Compensation, Transparency, Rehabilitation and Resettlement in Act

(Central Act 30/2013) enacted in 2013. She also explained the current procedures of valuation, regularization of land records, rehabilitation and resettlement package, grievance redressal mechanisms, and G.O. (MS) No. 448/2017/RD dated 29-12-2017 of the State Government. Thereafter, on behalf of the Southern Railways, Ernakulam, Land Acquisition Associate Mr. KS. Pareeth explained the proposed alignment and land acquisition plans for Patch Doubling of track between Shornur Junction to Vallathol Nagar.

Following are the summary of the comments/suggestions/complaints given verbally and in writing by the affected parties/interested persons during the public hearings.

- 1) **Mr. Sulaiman, Vattaparambil:** The land acquisition will affect the boundary walls and take over entire land and properties and give adequate compensation.
- 2) **Mr. Pareeth:** It is understood that about 3¼ cents of land will be acquired out of the total 5 ¼ cents of land. The remaining portion is not useful for any purpose hence take over the entire land and properties and provide adequate compensation.
- 3) **Ms. Sreedevi/ Ms. Narayanikutti Amma:** Family consists of 88 years old mother and out of five daughters one expired and another one is mentally challenged. There are two rails in front of house hence no way to go out side. It is hard to live here once the land is acquired for the present project. So, request to take over land, house and properties fully by giving adequate compensation package.
- 4) **Mr. Abdul Muthaleeb:** It is understood that the land, house and properties are fully required for the present acquisition. Adequate compensation and time are required to search and find a house and relocate to another place.
- 5) **Mr. Abdul Hameed:** Adequate compensation should be given and take over the remaining fragmented land after acquisition.
- 6) **Ms. Shemitha:** Family consists of a mentally challenged son and need adequate compensation for the land and properties.
- 7) **Mr. Hamza:** The back wall of the shopping complex will be affected. Will this affect the functioning of the building?
- 8) **Mr. Shajahan:** The alignment stone paved on the way to house and should ensure road accessibility while acquire the land for the project.
- 9) **Mr. Manoj Kumar:** Along with acquiring the land, the house and properties should also be acquired and compensation should be paid.

- 10) **Ms. Sekkeena Shamsudheen:** Along with acquiring the land, the house and properties should also be acquired and adequate compensation should be paid.
- 11) **Ms. Shoba:** Acquire entire land and properties and provide adequate compensation
- 12) **Ms. Maya Udayan:** Previous elected ward member. Market value of the land, houses and properties should be given while acquire land for the project.
- 13) **Ms. Remlath:** Acquire entire land and properties and provide adequate compensation
- 14) **Mr. Premraj:** Land acquisition will affect road accessibility of five families and ensure road accessibility while acquire the land for the proposed project.
- 15) **Mr. Babu KT:** Land acquisition will affect the well and drinking water source. There is no other options for drinking water hence the well should be protected while acquire the land for the project.
- 16) **Mr. Krishnan Nair:** Ready to give the entire land and properties for the said project and adequate compensation should be given. Necessary directions should be given to the Village Office to get necessary documents in time with regard to the land acquisition.
- 17) **Ms. Usha:** Land acquisition will affect major portion of the house and will uninhabitable and need to acquire entire land and properties.
- 18) **Mr. Saidhalavi:** Market value should be given as compensation for land and properties and how many years of encumbrance certificate should be presented?
- 19) **Ms. Remlath:** Front portion of the property will affect by the land acquisition hence the entire land and properties should be acquired and provide adequate compensation.
- 20) **Ms. Pankajam:** Acquire entire land and properties and give adequate compensation.
- 21) **Mr. Abdul Rahiman:** Land acquisition will affect house fully and land partially, hence acquire entire land and properties and give adequate compensation. Documents of the properties are pledged with bank and availed loan.
- 22) **Ms. Nisha Jayarajan:** The shape of the land is rectangular and the remaining portion of the land after land acquisition is unusable, hence acquire the entire land and give adequate compensation.

- 23) **Mr. Ibrahim:** The alignment stone paved in front of the mosque and once the land is acquired, it will not be possible to get out from the mosque. Access and road facilities must be ensured.
- 24) **Ms. Shamavathi:** Land acquisition will affect the steps to house and acquire entire land and give adequate compensation.
- 25) **Mr. Yahia:** Publish the list of the affected parties
- 26) **Ms. Krishnakeerthi/ Unnikrishnan:** Adequate time and facilities should be given to update the documents.
- 27) **Mr. Unnikrishnan:** Road access to the house and properties must be ensured while acquire the land for the project.
- 28) **Mr. Jigish M:** The alignment marking should be rechecked from R-48 to R-55 in zigzag pattern. The railway land available on the eastern side should be utilized.
- 29) **Mr. Saidalavi:** A concrete house and other properties on 18 cents of land are being affected. Adequate compensation should be given.
- 30) **Mr. Shoukathali/Sidiqali/Muhammedali:** Family consists of an elderly mother and a mentally challenged brother. Since it is inconvenient to live in the house after partially acquiring the land, hence acquire the house and land in full and pay adequate compensation.
- 31) **Mr. Sivaprasad:** Not willing to provide property under survey number 341/1-11 for the proposed project.
- 32) **Ms. Gowri KT:** Widow and single. The land and house in survey number 341/1-4 should be exempted from the present land acquisition.

Brief description of the responses given by the concerned officials to the comments/suggestions/complaints given by the affected persons/stakeholders during the public hearing:

- ✪ The appropriate government will determine the amount of compensation as stipulated in the 'Right to Fair Compensation and Transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013' and subsequent orders issued by the government. All the affected parties are eligible for compensation including land owners, tenants and workers.

- ❖ The appropriate government will acquire only bare minimum area of land for the proposed project. The request from the affected parties regarding acquisition of entire land and properties will be examined during the site inspection based on the level of impact, proximity to the proposed railway line, and potential damage and scope for reuse etc. and a decision will be made.
- ❖ Social Impact Assessment Study Report, list of affected parties etc. will be made available on the government website and the Land Acquisition Office.
- ❖ All documents required to prove ownership must be submitted to the concerned authority for the allocation of compensation amount. Therefore, all documents must be prepared and kept up to date.
- ❖ Necessary measures will be taken to prevent disruption of drinking water supply/ pipes/facilities, and road access etc.

Public Hearing 03-01-2026

Public Hearing 03-01-2026

Public Hearing 03-01-2026

Public Hearing 03-01-2026

The concerned officials provided necessary information and guidance to the affected parties participated in the public hearing regarding the project and land acquisition procedures, and effectively responded to the comments/suggestions/complaints of the affected people. The officers ensured adequate compensation will be provided for the land, houses, constructions, agriculture crops and all other valuable assets as stipulated in the ‘Right to Fair Compensation and Transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013’ and subsequent orders issued by the government. The public hearing was ended at 01.30 pm.

3.11 Limitations of the Study

Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 envisioned ensuring fairness and transparency in land acquisition process. Following are the limitations and issues faced by the SIA team during the period of study:

- 1) The Deputy Chief Engineer, Southern Railways, Ernakulam, has made requisition for land acquisition for the proposed project, but the land acquisition process has been delayed due to various reasons hence the landowners are doubtful about whether the project will be implemented or not
- 2) The landowners were not aware of the decision to conduct a social impact assessment study in the proposed project area. As a result, people had concerns about how the study would be conducted, how the study process would affect them, and whether providing information would have a negative impact. Such concerns were raised by people in the project area during the field visit.
- 3) Several visits were required to locate the affected persons or their representatives to collect the necessary data and information. Some of the landowners live outside the

project area, in the city or elsewhere, so it was necessary to contact them several times to collect information from them.

- 4) Landowners who have defaulted in paying land tax on time only have old tax receipts. Due to this, difficulties were faced in clarifying the survey number. Similarly, difficulties were faced in clarifying the ownership as those living on purambok/government/railway land as they did not have the necessary documents.
- 5) When the local wards were re-determined, the project affected people did not have sufficient knowledge about the new wards, so they were given the old ward number/name.
- 6) Although the draft Social Impact Assessment Study report was published on 29-11-2025, due to the announcement of local body elections and the model code of conduct coming into effect from 10-11-2025, there was uncertainty in determining the date of the public hearing. However, a public hearing was held on 03-01-2026 in consultation with the newly elected local government representatives.
- 7) As per the 4(1) notification an approximate area of 3.7050 Hectares of land in Nedumpura and Cheruthuruthy revenue villages have to be acquired for the proposed Patch Doubling of track between Shornur Junction to Vallathol Nagar. But the field level study revealed that 3.7050 Hectares of land to be acquired is owned/possessed by 188 land owners/tenants including 161 residential owners and 9 commercial owners and 18 numbers of road/government/railway properties etc.

CHAPTER - 4 LAND ASSESSMENT

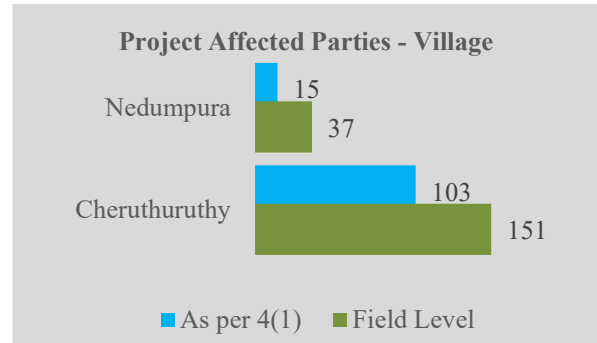

INTRODUCTION

Collection of socio-economic statistics of affected parties and families on the basis of a specially prepared questionnaire was completed and various information such as the affected properties, type of property, ownership, impact on private property, and livelihood pattern of the people, extend of impact on land acquisition etc. were collected. Socio-economic statistical analysis helped to understand the implications of land acquisition for the proposed development project. The main observations and findings are presented in the following sections in this chapter.

4.1 Entire area of Impact under the influence of the Project

Table 4.1 summarize the social impact on land acquisition for the proposed project Patch Doubling of track between Shornur Junction to Vallathol Nagar. As per the 4(1) notification No. 3458 in volume No. 14 of extra ordinary Gazette of Government of Kerala on 27 September 2025, it is estimated that the proposed land acquisition of 3.7050 Hectare of land which belongs to 118 survey numbers in Nedumpura and Cheruthuruthy revenue villages of Thalappilli taluk in Thrissur district.

Description	As per 4(1)	Field Level
Nedumpura	15	37
Cheruthuruthy	103	151
Total	118	188

But the field level studies revealed that the 3.7050 Hectare of land to be acquired is owned by 188 people consists of 161 residential owners, 9 commercial owners and 18 numbers of roads/government/railway land or purambok etc.

Land Acquisition (Hectares)	
Land to be acquired as per 4(1) Notification (Hectares)	3.7050
Private Land (Hectares)	3.7050
TOTAL (Hectares)	3.7050

Table 4.2 Summary of Project affected Area	
Affected Properties and Assets	
Number of affected Survey Numbers as per 4(1) Notification	118
Number of affected parties/families	188
Number of affected parties (Residential)	161
Number of affected parties (Commercial)	9
Number of Roads, government/railway land	18
Number of affected populations	598
Number of House/Building - Fully	73
Number of House/Building - Partially	13
Number of Shops/Business – Fully	9
Number of Carshed/ Porch	20
Number of Concrete floor/ Tiled yard	26
Number of Wells	50
Number of Water tanks	10
Number of Septic tanks/ Toilets	58
Number of Boundary walls, Gates	69
Trees (No. of plots)	138

All the affected people are residents of the project area and have been living in the current habitat for a long time. The social impact study was conducted among those considered to be affected by the project. The list of affected parties is attached as Annexure – 03.

The total population of 598 from 188 affected parties/families will directly affect by the land acquisition for the proposed project for Patch Doubling of track between Shornur Junction to Vallathol Nagar. The land acquisition will not affect any properties of schools, training centers, burial ground, parks, angenwadi, godowns/distribution centers of foodgrains, tribal settlements or water sources in the proposed project area.

4.2 Land to be Acquired for the Proposed Project

The proposed land acquisition for 3.7050 Hectares of land for Patch Doubling of track between Shornur Junction to Vallathol Nagar is planned in the geographical area covers Nedumpura and Cheruthuruthy villages in Thalappilli Taluk of Thrissur District. The area for land acquisition covers Cheruthuruthy Town Ward (04), Mecheri Ward (05), Nampullyparambu

Ward (11), Irattakulam Ward (12), Cheyikkal Ward (14) of Vallathol Nagar Gramapanchayath in Chelakkara Assembly Constituency.

Description	Number	%
Cheruthuruthy Town (4)	29	15
Mecheri (5)	40	21
Nampullyparambu (11)	48	26
Irattakulam (12)	49	26
Cheyikkal (14)	22	12
TOTAL	188	100

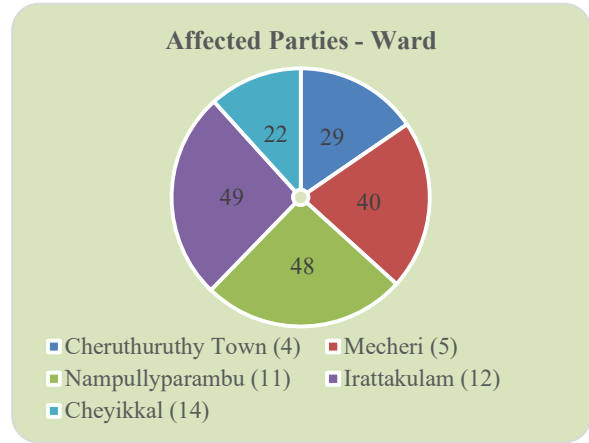

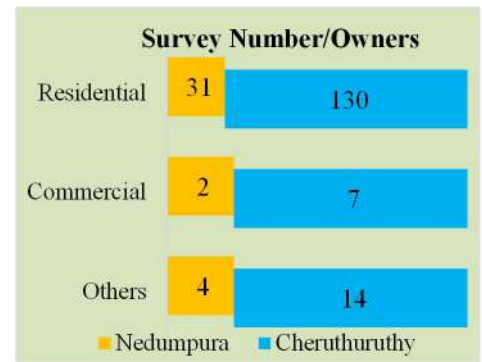

Table 4.3 shows that out of the 188 affected parties, 29 people from Cheruthuruthy Town (Ward 4), 40 people from Mecheri (Ward 5), 48 people from Nampullyparambu (Ward 11), 49 people from Irattakulam (Ward 12) and 22 people from Cheyikkal (Ward 14) will affect by the land acquisition.

No	Village	Block No	Survey Nos 4(1)	No. of Affected Parties			
				Residential	Commercial	Others	Total
1	Nedumpura	43	15	31	2	4	37
2	Cheruthuruthy	44	103	130	7	14	151
	Total		118	161	9	18	188

The land and structures to be acquired are owned by private individuals and are directly affected. Approximately 3.7050 hectares of land owned/possessed by a total of 188 people, including 161 residential owners, 9 business owners, and 18 numbers of roads, government/railway/purambok land and others, across 118 survey numbers, are to be acquired, and all of them are directly affected as part of the project. The proposed land could be acquired by giving adequate compensation as stipulated in the ‘Right to fair compensation and transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013’.

4.3 Use of Public Land

The land to be acquired for Patch Doubling of track between Shornur Junction to Vallathol Nagar is in the possession of 188 land owners/tenants. Government/railway/purambok land, roads etc. can also be utilized for the proposed project.

CHAPTER - 5

ESTIMATION AND ENUMERATION

Introduction

This chapter deals with the extend of direct and indirect social impacts of the proposed land acquisition for the project Patch Doubling of track between Shornur Junction to Vallathol Nagar.

5.1 Directly Affected

The proposed land acquisition for Patch Doubling of track between Shornur Junction to Vallathol Nagar railway stations will require approximately 3.7050 hectares of land falling under different survey numbers in Nedumpura and Cheruthuruthy revenue villages of Thalappilli taluk in Thrissur district. The field study revealed that there are 73 houses fully and 13 houses partially and 9 shops/buildings fully will affect by the land acquisition and necessary rehabilitation and resettlement measures will have to be taken. Moreover, there are 20 numbers of carsheds, 26 numbers of concrete/interlock floors, 69 numbers of boundary walls/gates, 50 numbers of well, 58 numbers of septic tanks/bathrooms/toilets and trees of different varieties in 138 landholdings will directly affect by the land acquisition.

5.2 Duration of Land Possession

Table 5.1 Duration		
Period	Number	%
1 - 5 Years	39	21
Above 5 Years	149	79
Total	188	100

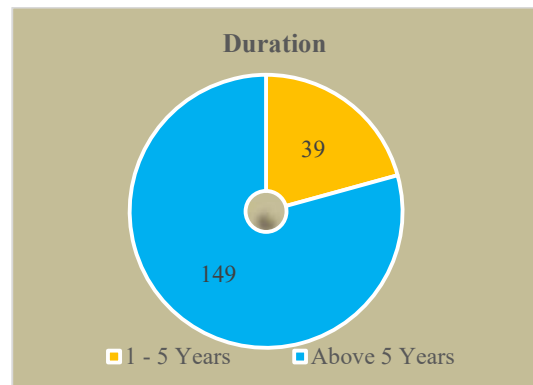

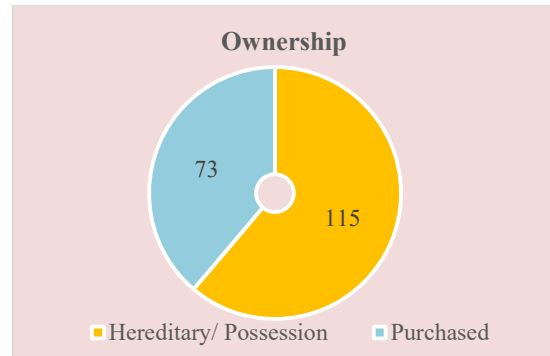

Table 5.1 shows that the affected land owners are possessing the land and properties for long period. It shows that 79% of the affected parties are possessing the land/property for more than 5 years and 21% of the affected parties are possessing the land/property for 1-5 years period.

5.3 Land Transfers in the Past

The available data and information received from the informants shows that 115 people have inherited/possessed land and properties and the remaining 73 people have purchased land and have been living in the land for more than five years.

Table 5.2 Ownership	
Ownership	Number
Hereditary/Possession	115
Purchased	73
Total	188

5.4 Families Indirectly Impacted by Project

The category of people indirectly affected by the land acquisition for the project Patch Doubling of track between Shornur Junction to Vallathol Nagar is mainly the people residing in the adjoining areas of the proposed project and the people are travelling through the project area and the people owned and rented shops and commercial establishments and the workers.

5.5 Inventory of Productive Assets

The proposed project of Patch Doubling of track between Shornur Junction to Vallathol Nagar is planned in the geographical area covers Nedumpura and Cheruthuruthy revenue villages in Thalappilli Taluk of Thrissur District and estimated an approximately 3.7050 hectares of land to be acquired. The affected parties are possessed the land and properties long time before, and doing agriculture and allied activities, shops and business for income generation and for their livelihood. Therefore, adequate compensation stipulated in the 'Right to fair compensation and transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013' need to be provided to acquire the proposed extent of land.

CHAPTER – 6

SOCIO-ECONOMIC AND CULTURAL PROFILE OF THE AFFECTED AREA

Introduction

This chapter describes socio-economic and cultural profile of the affected area. The socio-economic survey conducted in the affected areas brought information about the population, economic status of the people, vulnerability, social and economic activities prevailing in the area, loss of livelihood, cultural aspects etc. All this information helped to assess the socio-economic and cultural characteristics of the region which are explained in the following sections of this report.

6.1 Details of the Population

Table 6.1 Population			
Age	Gender		Total
	Male	Female	
0 - 18	59	51	110
19 - 30	56	59	115
31 - 45	63	67	130
46 - 59	55	59	114
60 +	58	71	129
Total	291	307	598

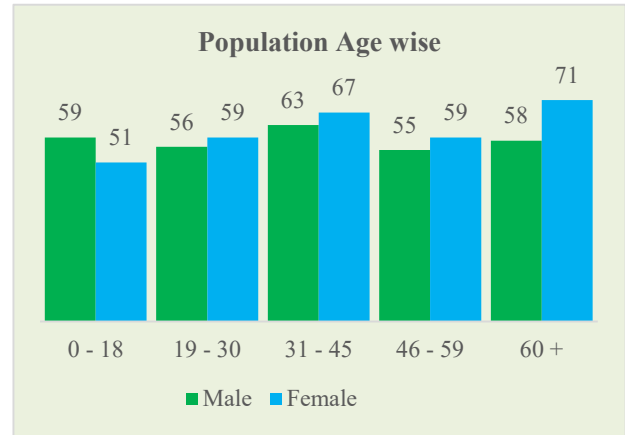

Table 6.1 shows the population details of the affected parties. Accordingly, out of the total population of 598 there are 291 male and 307 female.

6.2 Details of the Religion

Table 6.2 Religion		
Category	Owners	%
Hindu	82	44
Muslim	87	45
Christian	1	1
Others	18	10
Total	188	100

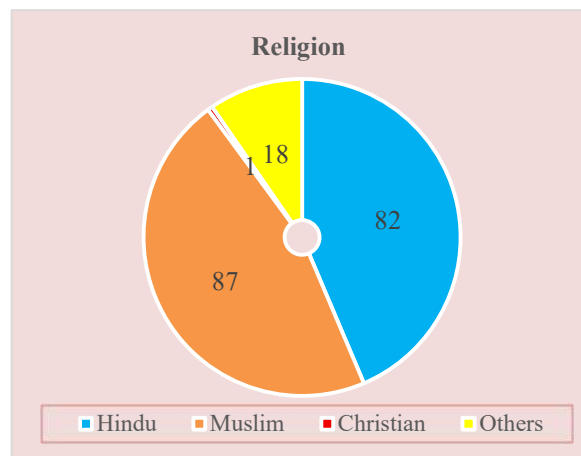

Table 6.2 showing the categorization of families based on religion. Accordingly, out of the total 188 affected parties 82 families belong to Hindu and 87 belongs to Muslim and 1 belongs to Christian religion and remaining 18 belongs to others category.

6.3 Details of the Social Category

Category	Number Of Families	%
General	36	19
OBC	129	68
SC	5	3
Others	18	10
Total	188	100

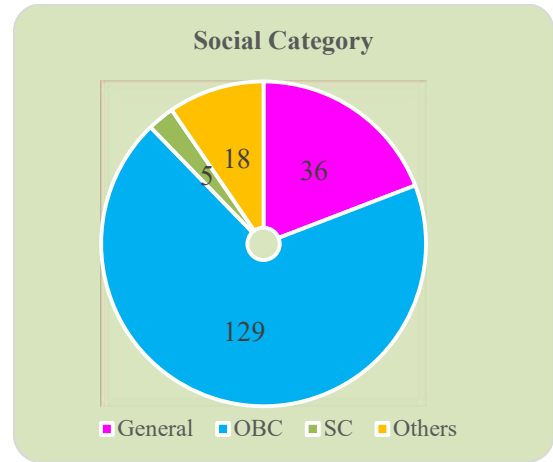

Table 6.3 shows social categories of the people in the project area. Accordingly, 36 out of total 188 affected parties are belonging to general category, 129 affected parties are belonging to OBC, 5 affected parties are belonging to SC and remaining 18 belongs to others category.

6.4 Details of the Marital Status

Category	Gender		Total
	Male	Female	
Married	161	188	349
Unmarried	117	84	201
Widower/Widow	13	35	48
Total	291	307	598

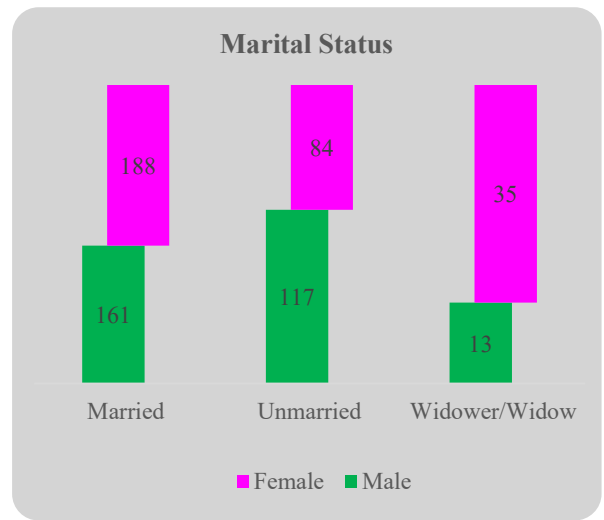

Table 6.4 statistics shows that 349 people are married and 201 people including children below the age of 18 are unmarried. Also, 13 widower and 35 widows are among the total population of 598 people.

6.5 Details of the Family Structure

Table 6.5 Family Structure		
Category	Number Of Families	%
Joint Family	51	27
Nuclear Family	119	63
Others	18	10
TOTAL	188	100

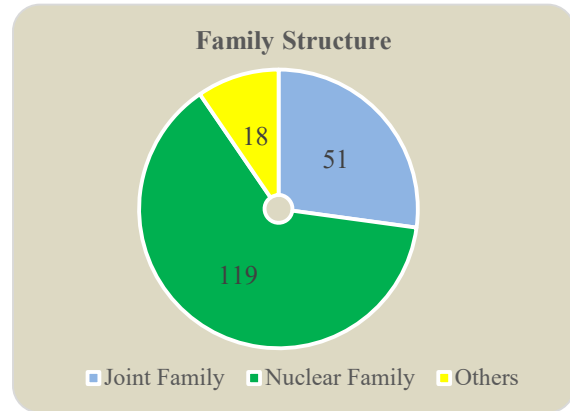

Table 6.5 statistics shows that out of the 188 affected parties 51 families belongs to joint family, 119 families belong to nuclear family and remaining 18 belongs to others category.

6.6 Details of the Education

Table 6.6 Education			
Category	Gender		Total
	Male	Female	
LKG - 12 Class	189	209	398
Graduation/Post Graduation	35	40	75
Technical/Employment	19	8	27
Informal	48	50	98
Total	291	307	598

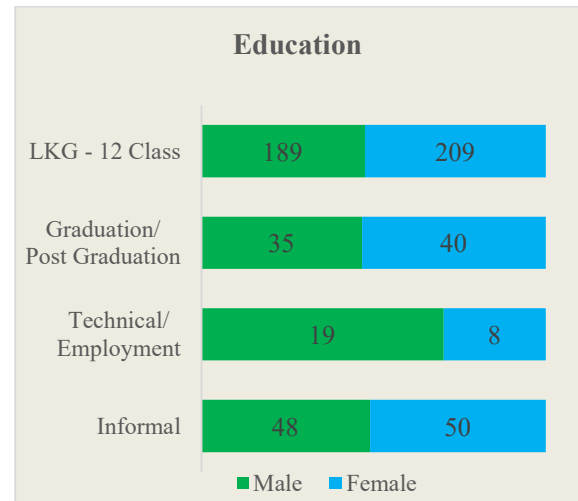

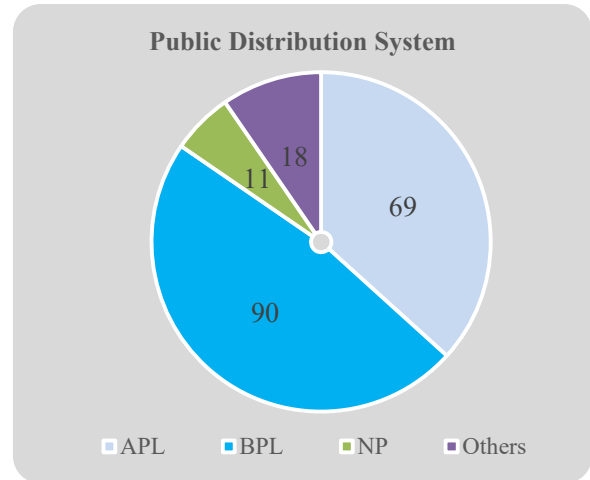

Table 6.6 Statistics show that 398 persons have education in the category of LKG to 12th Standard and 75 persons have graduation or postgraduation, 27 persons have technical education and the remaining 98 persons having informal education.

6.7 Details of the Public Distribution System

Table 6.7 Statistics shows about the public distribution system. Accordingly, 69 out of total 188 affected parties are belonging to Above Poverty Line (APL) category, 90 affected parties are belonging to Below Poverty Line (BPL), 5 affected parties are belonging to Non-Priority (NP) and remaining 18 belongs to others category.

Category	Number Of Families	%
APL	69	37
BPL	90	47
NP	11	6
Others	18	10
TOTAL	188	100

Vulnerable Groups

The statistics of the project affected people shows that out of the total population of 598 people, 291 people are male and 58 among them have more than 60 years of age. The total female population is 307 and 71 among them are more than 60 years of age. There are 13 widowers and 35 widows are in the population category. All such people have to be given priority while providing compensation for land acquisition.

6.8 Details of the Income Status

Description	Number Of Families	%
₹ 1000 - 10000	82	44
₹ 10001 - 20000	59	31
₹ 20001 - 40000	27	14
₹ Above 40001	2	1
Others	18	10
TOTAL	188	100

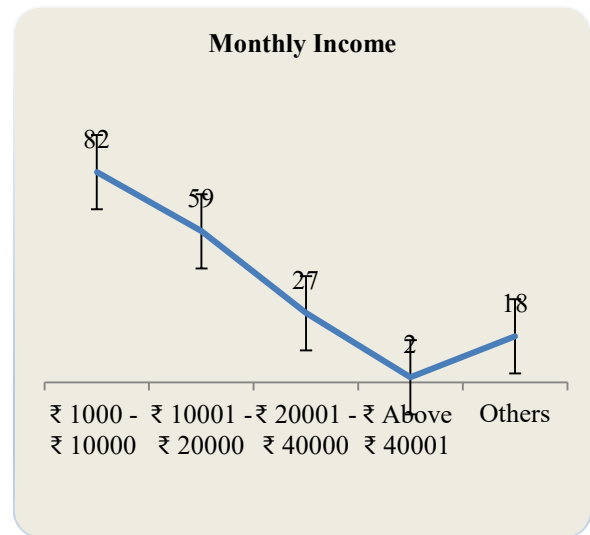

Table 6.8 Statistics shows the monthly income of the affected parties. Accordingly, 82 out of total 188 affected parties are belonging to ₹ 1000 – 10000 category, 59 affected parties are belonging to ₹ 10001 – 20000 category, 27 affected parties are belonging to ₹ 20001 – 40000 category, 2 affected parties are belonging to above ₹ 40001 and remaining 18 belongs to others category.

Description	Number Of Families	%
Self-employment	57	30
Business	35	19
Pension/ Salaries	74	39
NRI	4	2
Others	18	10
TOTAL	188	100

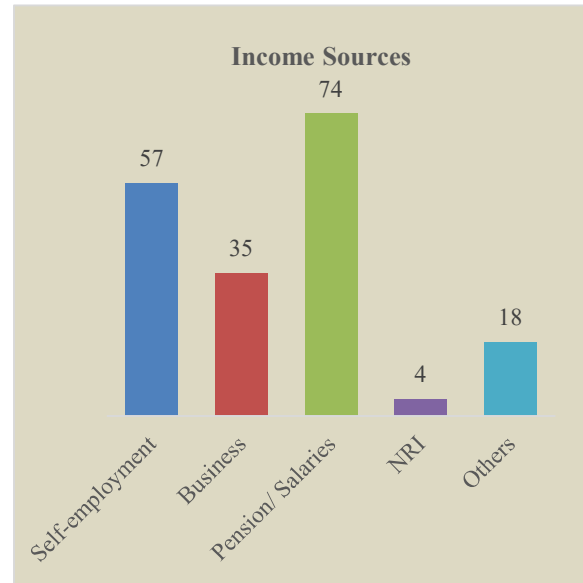

Table 6.8 Statistics shows the income sources of the affected parties. Accordingly, 57 out of total 188 affected parties are depending on Self-employment, 35 affected parties are depending on Business, 74 affected parties are depending on Pension/ Salaries, 4 affected parties are depending on NRI, and remaining 18 belongs to others category.

Description	Number Of Families	%
₹ Below 10000	83	44
₹ 10001 - 20000	60	31
₹ 20001 - 40000	22	12
₹ Above 40001	5	3
Others	18	10
TOTAL	188	100

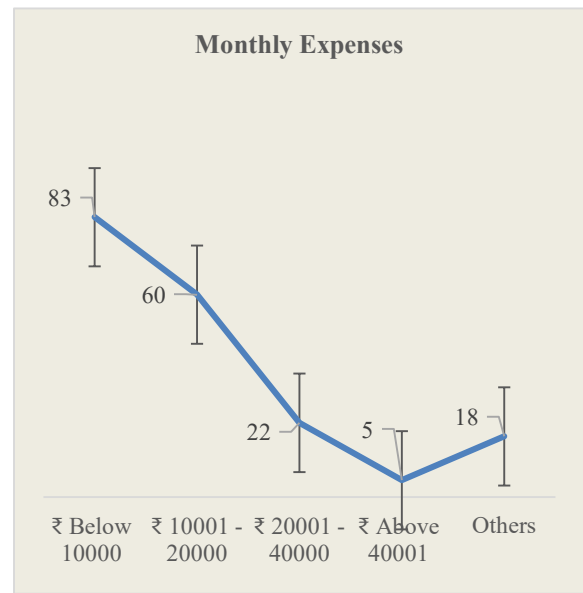

Table 6.10 Statistics shows the monthly expenses of the affected parties. Accordingly, 83 out of total 188 affected parties are belonging to ₹ 1000 – 10000 category, 60 affected parties are belonging to ₹ 10001 – 20000 category, 22 affected parties are belonging to ₹ 20001 – 40000 category, 5 affected parties are belonging to above ₹ 40001 and remaining 18 belongs to others category.

6.9 Land Use and Livelihood

It is estimated that an approximate area of 3.7050 Hectare of land in Nedumpura and Cheruthuruthy revenue villages of Thalappilli Taluk of Thrissur District need to be acquired for Patch Doubling of track between Shornur Junction to Vallathol Nagar. The area for land acquisition belongs to various survey numbers and owned/possessed by private individuals and has been utilizing for agriculture and allied activities, business and shops for their income generation and livelihood. Some of the affected parties are pensioners, some are earning livelihood by working at public and private institutions and some are working abroad. All such people are to be affected by the land acquisition and need to be adequately compensated as per the 'Right to fair compensation and transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013'.

CHAPTER – 7

SOCIAL IMPACT MANAGEMENT PLAN

7.1 Approach to mitigation

It is important to carefully analyze and study the social implications of land acquisition for development activities. Social Impact Assessment Study will help to understand the direct and indirect impacts prior to land acquisition and helps to formulate and execute necessary mitigation plans and remedial measures. The suitable approach towards mitigating the impact on land acquisition shall be giving adequate compensation in time to the affected parties who loss their land, houses/building and properties and livelihood means. It is also important to consider the emotional attachment that affected families have to the land and property that they have possessed for years.

7.2 Measures to avoid, mitigate and compensate impact

It is estimated that the proposed land acquisition of 3.7050 Hectare of land for Patch Doubling of track between Shornur Junction to Vallathol Nagar which belongs to various survey numbers in Nedumpura and Cheruthuruthy villages in Thalappilli Taluk of Thrissur District. The land acquisition will directly affect 188 people who are residing or doing commercial activities in the proposed areas. The land acquisition will affect 118 land owners including 18 numbers of roads, government/railway 'purambok' properties. Hence, the impact can be avoided, mitigate and compensate by way of giving adequate compensation as per the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act of 2013 and as per the GO (MS) No. 448/2017/RD dated 29-12-2017.

7.3 Measures that are included in the terms of Rehabilitation and Resettlement and Compensation as outlined in the Act

The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act of 2013 is stipulate rehabilitation and resettlement of the people who evict from their land and dwelling places. The Govt. of Kerala has formulated and declared state policy on rehabilitation and resettlement as per the GO (MS) No. 448/2017/RD dated 29-12-2017 for ensuring better compensation for the affected families. All the evictees who lost land, houses/buildings and properties are eligible for obtaining compensation under sections No. 26 to 30 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act of 2013. Besides the above provisions, the evictees are eligible for the following compensations:

- 1) Constructed house with 50 Sq mts in plinth area shall be provided as per the Indira Awas Yojana specifications or Rs. 3,00,000/-.
- 2) Rs. 5,000/- livelihood grant for the evictees
- 3) One time transportation allowance Rs. 50, 000/-
- 4) One time resettlement allowance of Rs. 50, 000/-
- 5) One time resettlement allowance of Rs. 30, 000/- residential family tenants

In order to ensure a reasonable standard of living for the resettled families/affected parties and to minimize the impacts resulting from the eviction, basic service facilities as per the Third Schedule of the Land Acquisition Act shall be ensured at the cost of the authority acquiring the land in the said area for the proposed project execution.

7.4 Measures that the Requiring Body has stated it will introduce in the project proposal

The Requisition Authority will deposit estimated cost for Patch Doubling of track between Shornur Junction to Vallathol Nagar along with the cost for land acquisition.

7.5 Alternation to project design and additional measures that may be required to address the extent and intensity of impacts across various groups as identified during Social Impact Assessment process

As per the alignment sketch prepared by the Southern Railways, Ernakulam and the stones installed on both sides of the existing railway line for patch doubling the railway line between Shornur Junction-Vallathol Nagar railway stations, the left-side alignment starts from stone number SR-L-1 laid in Survey Number 775/PT owned by Mr. Padmanabhan, Padinjarae Thoppil and ending at the stone number SR-L-36 in Survey Number 784/PT5 owned by Mr. Abdul Jamal. K. The proposed alignment starts from the right-side stone number SR-R-1 Government land and ends at SR-R-70 survey number 170/3-8 owned by Chinnammu, Onjanath House, Vettikkattiri. Land acquisition is possible based on the present alignment and Southern Railways can plan and execute the development project which will help to expand necessary infrastructure facilities, and to improve rail transport in the state, and make travel facilities more efficient and convenient.

7.6 Detailed mitigation plan

Land acquisition of an approximate extent of 3.7050 Hectare of land for Patch Doubling of track between Shornur Junction to Vallathol Nagar which belongs to various survey numbers

in Nedumpura and Cheruthuruthy villages of Thalappilli taluk in Thrissur district. The Social Impact Assessment study shows that the land acquisition will directly affect 188 people including 161 residential owners, 9 business owners, 18 number of roads, government/railway/purambok properties in the project area. Following measure are to be adopted to mitigate and minimize the impact of land acquisition.

7.6.1 Land acquisition

The land acquisition for the proposed project will directly affect 188 individuals/families who own approximately 3.7050 hectares of land under different survey numbers in Nedumpura and Cheruthuruthy villages of Thalappilli taluk in Thrissur district. The proposed land for acquisition is possessed by people in different categories such as those having land and houses/buildings with revenue records, and those do not have records but possessing land and houses/buildings for last many years. All these categories of people will affect by the land acquisition and the appropriate government shall take decisions to compensate such affected families. In addition, roads, government/railway land/purambok land is also included in the land to be acquired.

The provisions under section 26 to 30 stipulated in the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act of 2013 shall be given to the affected families for acquiring land possessed by them for last many years to mitigate and reduce the impact on land acquisition.

7.6.2 Houses and Buildings

Land acquisition will affect 73 houses/buildings fully and 13 houses/buildings partially and 9 shops/commercial establishments fully. It will also affect 20 car sheds, 26 concrete/interlock floors, 69 boundary walls and gates, 50 wells, 58 septic tanks/bathrooms/toilets, and different varieties of trees in 138 homestead plots. To mitigate and minimize the impact of land acquisition, all affected parties who lose their houses/buildings/shops fully should be rehabilitated and resettled, and those who lose their houses/buildings shops partially should be adequately compensated.

The impact on land acquisition can be mitigated or reduced by giving adequate compensations under section 26 to 30 stipulated in the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act of 2013. It is also applicable the state policy on rehabilitation and resettlement as per the GO (MS) No. 448/2017/RD dated 29-12-2017. Accordingly, land acquisition process can be completed by the government by determine adequate compensation for those whose houses/buildings will be lost and for the affected parties who will be displaced.

7.6.3 Procedures for compensation

The affected parties and evictees of the land acquisition is eligible for getting compensation as per the section 26 to 30 stipulated in the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act of 2013. Moreover, as per the second schedule GO (MS) No. 448/2017/RD dated 29-12-2017 of Govt. of Kerala the affected parties and evictees will get compensation for their land, properties and livelihood which will reduce and mitigate the impact on proposed land acquisition. The land will take over only after the compensation is settled by the competent authority. It is the responsibility of the appropriate government is to ensure to give compensation within three months of the award and rehabilitation and resettlement within six months. The basic service facilities specified in the Third Schedule to the said Act must be completed in all respects within eighteen months from the date of award. If there is any allegation that the amount of compensation allotted to the affected individuals or families has not been determined in a fair and transparent manner, an application under Section 64 of the Land Acquisition Act shall be forwarded to the Land Acquisition Officer (LAO) for submission to the Rehabilitation and Resettlement Authority established under Section 51 of the said Act, and such application shall be sent to the said authority within 30 days by the LAO. The Authority is responsible for clear the complaints and award within a period of six months. Requisition Authority or any interested party aggrieved by an award passed by the Authority under Section 69 may appeal to the High Court for remedial measures within 60 days from the date of passing of the award.

7.7 Measures that the Requiring Body has committed to undertake and those that have been proposed, but not committed to be undertaken by the Requiring Body

It is learned that the Requisition Authority has no commitments to undertake any additional activities or steps other than paying the expected cost of land acquisition and execution of the proposed Patch Doubling of track between Shornur Junction to Vallathol Nagar.

7.8 Public Awareness and Opinion of the Affected People

Affected people already have initial information and awareness on the proposed land acquisition by the visit and interactions of the officers from the departments of Revenue and Southern Railways, Ernakulam. The interactions of the elected representatives of the local self-government also been helped to exchange of information to the affected people. Moreover, the Social Impact Assessment Team Members visited and interacted with affected people that helped to convey necessary information to them and ensure their cooperation and support.

Table 7.1 Opinion Survey on Positive Impact of the Project			
Positive Impact	Yes %	No %	No Opinion %
Improved railway and transport facilities	100	0	0
Infrastructure Development	100	0	0
Increased land value	81	0	19
Better compensation	76	0	24
Improvement of economic activities	68	0	32

Preferences for Rehabilitation and Resettlement	No. of Affected Parties	Percentage
Equal or more suitable land and adequate compensation for resettlement	0	0
Adequate compensation	188	100

Table 7.3 illustrates preferences of the affected people for rehabilitation and resettlement. 100% of the affected people are demanding adequate compensation for their losses of land, houses building structures, shops and business enterprises.

CHAPTER – 8

SOCIAL IMPACT MANAGEMENT PLAN – INSTITUTIONAL FRAMEWORK

The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 and subsequent Rules and Govt. Orders stipulated to conduct Social Impact Assessment and prepare Social Impact Management Plan prior to the land acquisition. It is the responsibility of the designated officer as per the Act 44 (1) to ensure the proper execution of Social Impact Management Plan.

8.1 Institutional Framework and Officers

The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 2013 and subsequent Rules and Govt. Orders stipulated to appoint Administrator by the State Government for formulation, execution and monitoring of rehabilitation and resettlement schemes for the affected people subjected to the superintendence, directions and control of the appropriate Government and the Commissioner of Rehabilitation and Resettlement.

Govt. of Kerala has constituted a State Level Committee consisting of Chief Secretary, Revenue Secretary, Public Administration Secretary, Law Secretary, Finance Secretary as per the GO (MS) No. 485/2015/RD dated 23-09-2015 in accordance with the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 and subsequent Rules. Similarly, District Level Committee consisting of District Collector, Administrator (Rehabilitation and Resettlement) Land Acquisition Officer, Finance Officer, Requisition Officer, Representative of Local Self-Government also been constituted as per the Act 30 of 2013 to execute the powers and responsibilities.

As per the Section 43 (1) of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013, Govt. of Kerala has appointed and entrusted responsibilities of Administrators for each districts as per the GO (P) M No. 590/2015/RD dated 11-11-2015.

According to the provisions of Section 43 (1) of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 2013, Government of Kerala as per the GO (P) M No. 649/2015/RD dated 04-12-2015 appointed Deputy Collector (Land Acquisition), and Special Tahsildar (Land Acquisition) at the district level for performing one or more of the powers, duties and responsibilities of the District Collector.

It is the duty and responsibility of the appropriate Government and the district level committee ensuring suitable compensation and rehabilitation and resettlement packages for the affected people due to land acquisition as stipulated in the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 2013.

CHAPTER – 9

SOCIAL IMPACT MANAGEMENT PLAN – BUDGET

9.1 Cost for Rehabilitation and Resettlement

The Cost for Rehabilitation and Resettlement will be decided by the committee constituted by the appropriate Government as per the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 and subsequent Rules and Govt. Orders. The evictees, affected parties and families are eligible for getting adequate compensation as per the Act. The compensation for rehabilitation and resettlement is finally decided by the Administrator designated for this purpose as under section 43 of the Act and the Administrator will prepare an action plan based on the data and information related to the land acquisition. The final cost for the rehabilitation and resettlement can be finalized only after preparing the action plan by the Administrator.

9.2 Annual Budget and Action Plan

The proposed project for Patch Doubling of track between Shornur Junction to Vallathol Nagar in Thrissur district is progressing as per the requisition made by the Deputy Chief Engineer (Construction), Southern Railway, Ernakulam. The Cost for land acquisition, Rehabilitation and Resettlement shall be made by the appropriate Government and the budget and action plans for the project execution will be prepared by the Requisition body.

9.3 Funding Sources

As per the approval received from Railway Board vide letter No. 2023/W-1/DL/SR/SV dated 23-02-2024 (e-file No. 3421158) shows that the proposed patch doubling of track between Shornur Junction to Vallathol Nagar project under Mission 3000 MT is envisaged to carry out development works worth Rs. 367.39 crore including yard renovation.

CHAPTER – 10

SOCIAL IMPACT MANAGEMENT PLAN – MONITORING AND EVALUATION

Introduction

Periodical monitoring and evaluations are important to assess the progress and results of a development intervention. It will help to ensure timely completion and bring out quality outputs in development projects. It aims an efficient planning to assess the social impacts and adopt mitigation measures to minimize the social impact in a development project.

The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 and subsequent Rules and Govt. Orders has sufficient measures at district and state levels to ensure procedures, transparency and grievances redressal.

10.1 State Level

The Section 44 (1) of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 provides to appoint Commissioner for Rehabilitation and Resettlement. As per this Act, Govt. of Kerala has appointed the Commissioner as per the GO (P) M No. 589/2015/RD dated 11-04-2015. The Commissioner shall be responsible for supervising the formulation of rehabilitation and resettlement schemes or plans and proper implementation of such schemes or plans at the State Level and for the post-implementation social audit in consultation with the Grama Sabha in rural areas and Municipality in urban areas.

10.2 District Level

The Section 43 (1) of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 provides to appoint Administrator for Rehabilitation and Resettlement where the appropriate Government is satisfied that there is likely to be involuntary displacement of persons due to land acquisition. As per this Act, Govt. of Kerala has appointed the Administrators as per the GO (P) M No. 590/2015/RD dated 11-04-2015. The Administrator shall be responsible for formulation, execution and monitoring of rehabilitation and resettlement schemes subjected to the superintendence, directions and control of the appropriate Government and the Commissioner of Rehabilitation and Resettlement. Government has constituted district and state level committees in accordance with the Acts and Rules.

Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 stipulates that the appropriate government will be responsible for taking the final decision on land acquisition. The State Level Committee has the power to examine, accept and reject the recommendations made by the District Level Committee and may refer their findings and suggestions back to the District Level Committee.

CHAPTER – 11

ANALYSIS OF COSTS AND BENEFITS AND RECOMMENDATIONS ON LAND ACQUISITION

Introduction

The land acquisition process has begun to acquire approximately 3.7050 hectares of land belonging to different survey numbers in Nedumpura and Cheruthuruthy villages of Thalappilli taluk in Thrissur district for the project Patch Doubling of track between Shornur Junction to Vallathol Nagar railway stations.

The proposed project for Patch Doubling of track between Shornur Junction to Vallathol Nagar railway stations falls under the definition of “**Public Purpose**” under the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013. The Social Impact Assessment study reveals that the affected parties and families who are possessed the land, houses, shops/buildings and properties for more than three years will primarily affect by the land acquisition. Hence, adequate compensation for the land and assets needs to be provided as per the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 and subsequent Rules and Government Orders to minimize the social impact of the affected parties and families.

11.1 Final Analysis and Conclusions

The proposed land acquisition for Patch Doubling of track between Shornur Junction to Vallathol Nagar railway stations is planned in the geographical area covers Nedumpura and Cheruthuruthy villages in Thalappilli Taluk of Thrissur district. As per the 4(1) notifications, it is estimated that an approximate extent of 3.7050 Hectare of land in various survey numbers need to be acquired for the proposed project. But the field assessment reveals that the land to be acquired is owned/possessed by 188 land and house/building owners including 18 numbers of roads, government/railway ‘purambok’ properties. The proposed land acquisition will directly affect altogether 188 land/people from the above revenue villages.

The project area comes under Chelakkara Assembly Constituency and covers Cheruthuruthy Town Ward (04), Mecheri Ward (05), Nampullyparambu Ward (11), Irattakulam Ward (12), Cheyikkal Ward (14) of Vallathol Nagar Gramapanchayath. The proposed alignment stones paved both sides of the existing railway line starts from the left-side alignment stone number SR-L-1 laid in Survey Number 775/PT owned by Mr. Padmanabhan, Padinjarae Thoppil and ending at the stone number SR-L-36 in Survey Number 784/PT5 owned by Mr. Abdul Jamal. K. The proposed alignment starts from the right-side stone number SR-R-1 Government land

and ends at SR-R-70 survey number 170/3-8 owned by Chinnammu, Onjanath House, Vettikkattiri.

The following table illustrates brief description of the information available regarding land, house/buildings and assets which will be affected by land acquisition for the proposed project.

Table 11.1 Summary of Project affected Area	
Land Acquisition (Hectares)	
Land to be acquired as per 4(1) Notification (Hectares)	3.7050
Private Land (Hectares)	3.7050
TOTAL (Hectares)	3.7050
Affected Properties and Assets	
Number of affected Survey Numbers as per 4(1) Notification	118
Number of affected parties/families	188
Number of affected parties (Residential)	161
Number of affected parties (Commercial)	9
Number of Roads, government/railway land	18
Number of affected populations	598
Number of House/Building - Fully	73
Number of House/Building - Partially	13
Number of Shops/Business – Fully	9
Number of Carshed/ Porch	20
Number of Concrete floor/ Tiled yard	26
Number of Wells	50
Number of Water tanks	10
Number of Septic tanks/ Toilets	58
Number of Boundary walls, Gates	69
Trees (No. of plots)	138

Note: Above consolidated information has prepared based on the data provided by the affected parties and needs to verified and confirmed with necessary documents at the time of final land acquisition.

The proposed project Patch Doubling of track between Shornur Junction to Vallathol Nagar railway stations for construction of the third and fourth tracks on the Ernakulam-Shornur corridor, one of the busiest railway routes in the state, will help increase the capacity of this

route, improve the smooth movement and speed of trains, and reduce traffic congestion. The proposed Shoranur-Vallathol Nagar railway line doubling project is planned to add a third and possibly fourth railway line to reduce congestion on the single-track section between Shoranur Junction and Vallathol Nagar. The proposed project has been planned and land acquisition processes have begun to increase the speed of trains, improve punctuality of trains, and reduce congestion affecting passengers travelling through this route. It is possible to complete the proposed land acquisition process by paying adequate compensation in accordance with Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013 and subsequent Rules and Government Orders.

11.2 Suggestions of Affected Parties:

The suggestions of affected parties are summarized as follows:

- 1) Land Acquisition:** - The affected parties who are giving up the land and properties which they are possessed by way of title deed and possession and utilizing the same for a long period. The proposed land acquisition will directly affect 188 land owners including 18 numbers of roads, government/railway 'purambok' properties. Out of the 188 land owners 161 residential owners and 9 commercial owners and remaining 18 numbers are roads, government/railway 'purambok' properties. The appropriate government should take steps to provide adequate compensation in time for land that has to be acquired from private owners. It is recommended that steps should be taken to acquire the entire land/properties and provide compensation when most of the land will have to be acquired and the remaining portion is unusable for any further use. It also demands that possible compensation be provided to project-affected people who do not have land records and live in 'purambok' areas, with humanitarian consideration.
- 2) Loss of Assets and Constructions:** - It is estimated that the land acquisition will affect 73 houses completely, 13 houses partially, and 9 shops completely, therefore, rehabilitation and resettlement measures will be required. In addition, the land acquisition will affect 20 car sheds, 26 concrete/interlock floors, 69 boundary walls and gates, 50 wells, 58 septic tanks/bathrooms/toilets and different types of trees growing in 138 landholdings and adequate compensation need to be provided as stipulated in the 'Right to fair compensation and transparency in the Land Acquisition, Rehabilitation and Resettlement Act 30 of 2013'. It is recommended that necessary steps should be taken to acquire the entire house/building and provide compensation when most of the house/construction will have to be affected/damaged and the remaining portion is unusable for any further construction. Furthermore, necessary permissions and relaxations of building rules for reconstruct houses and buildings after demolition of existing structures are required. Since there is a possibility of damage to

nearby houses/buildings when the railway track is doubled and operational, hence, it is advisable to acquire such land/houses/structures as part of the present land acquisition.

- 3) **Loss of Livelihood:** - The land proposed for acquisition is primarily used for the purpose of agriculture and allied activities, shops and business etc. Adequate compensation to be ensured for the affected people who loss their employment and income sources by the land acquisition. It is also needed to provide adequate compensation package for rehabilitation and resettlement for those who loss employment and income for a short period while demolishing the construction. The proposed land acquisition will affect employment and livelihood of 21 people, including 19 men and 2 women working in the shops.
- 4) **Loss of Agriculture Crops:** - Adequate compensation for existing agricultural crops and trees such as coconut, jack, mango, teak, cashew, pepper, areca, tamarind, ayani, neem, moringa, plantain etc. in 138 homesteads should be calculated and compensated along with the compensation for land and properties.
- 5) **Updation of Land Records and Titles:** - It is found that some of the land and building owners are not updated their land records and titles. Also, some of the affected parties have not updated their shops/business records in a timely manner. They are requesting opportunity and time to transfer such records in the names of deceased family members in to the names of their heirs. In addition, adequate compensation, rehabilitation, and resettlement assistance should be provided to those who have living and occupied land in the 'purambok' for years and have been engaged in agriculture and allied activities.
- 6) **Requirement of ancillary facilities:** It is preferable to acquire land and structures adjacent to the proposed alignment, which will help the Railways to ensure safety, avoid future encroachments and carrying out future maintenance. Similarly, the landowners will be able to carry out construction and agricultural activities in the future while adhering to the Railways' buffer zone norms. Along with providing better railway travel facilities, there is also a need to effectively rearrange services/utilities such as electric lines, pipelines, and footpaths etc.

11.3 Final Recommendations

The Social Impact Assessment study on the proposed project of Patch Doubling of track between Shornur Junction to Vallathol Nagar assesses that the proposed extent of land for acquisition is appropriate and bare minimum requirement for the execution of the proposed project. It is also assessed that the benefits out of the proposed project is more comparing with the cost for land acquisition and development. The land acquisition is proposed for the most suitable project to double the railway track between Shornur Junction-Vallathol Nagar railway

stations, which will improve the existing travel facilities, and reduce traffic congestion. The affected people have concerns about the land acquisition process and concerns about whether they will receive adequate compensation in a timely manner. People are worried that they will be displaced from their current living conditions where they are emotionally attached to the society. It is expected that all such concerns and apprehensions of the people can be overcome through future interventions and information sharing with the affected parties and families along with providing adequate compensation as stipulated in the Act 2013 and Rules and a special package subject to the policy decision of the State Government.

The proposed land acquisition for Patch Doubling of track between Shornur Junction to Vallathol Nagar is essential to achieve the said objectives of the project and it is expected that the land and building owners will be willing to give up their land and assets for this important development purpose if adequate compensation is provided for the land, properties, shops and assets. Therefore, it is recommended that the process of land acquisition shall be continued as per the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 and subsequent Rules, regulations and government orders.
